Open Elective [MOOC] 6-12 weeks

23MBA822- OE1

Open elective 1:

Students have to complete 1 MOOC during the II Semester based on their interest and submit the certificate. The duration of the course should be for 6-8 weeks. The students are encouraged to chooseany course from Liberal Arts/Humanities so as to conform to NEP guidelines.

In the beginning of the II semester, students have to register for a MOOC and update the information to the designated faculty mentor. This will enable the faculty to monitor the progress. After completion of the course,students have to submit the completion certificate. This will ensure eligibility for the students to complete the semester successfully.

Guidelines:

The open electives are offered to the students with the purpose of giving them a wide opportunity to enhance their knowledge. The students are given an opportunity to choose from a wide range (4500) of MOOCs offered by Coursera, NPTEL, SWAYAM etc., and enroll themselves.
