## BUSINESS IMMERSION PROJECT (BIP)

Student-wise Organisation Mapping | NAAC Criteria 1.3.1 | 2024-26 Batch

### HOW BIP INTEGRATES CROSS-CUTTING ISSUES INTO THE CURRICULUM

#### Professional Ethics

Students work under organisation mentors, observing workplace ethics, compliance and professional conduct first-hand; faculty visits verify integrity of engagement.

#### Human Values

Immersion builds empathy, responsibility and interpersonal maturity through real workplace relationships and mentor feedback.

#### Environment & Sustainability

Placements include green-tech, e-mobility, agri and social enterprises, exposing students to sustainable business practice.

#### Curriculum linkage

BIP (23MBA831, 3 credits) is a credit-bearing immersion course; each student is guided by a faculty mentor and an external organisation mentor, with a documented visit and tri-party feedback (student, mentor, faculty).
