Dear Dr. Purushottam Bung,

Greetings!

It is certainly unfair after these many efforts.

Considering your role as an invited speaker, the organization has already agreed to bear beyond 45% of your registration and accommodation expenses.

However, to make your participation possible, the event sponsor PAM is further willing to bear the maximum of your registration and accommodation expenses as outlined below.

The revised registration packages are as follows.

Only Registration:

Actual Price: $745

After maximum Aid: $385

PAID & CANCELLED
Ch..... Dt..... Rs.....

Ch. No..... Date 07/11/25
R.V. INSTITUTE OF MANAGEMENT
Head of ... Entry & Registration fee
Passed for Rs. 9019/-
Rupees Nine thousand Nineteen Only/-
AORVIM Director

COMBO A (Registration +2 Night Accommodation+Breakfast+Lunch):

Actual Price: $1295

After maximum Aid: $715

I must be honest with you—this is likely the maximum level of support we can provide. We have worked diligently to secure the best possible rates and arrangements for you.

If the above-mentioned sponsorship options do not align with your budget requirements, we are pleased to present two options that could potentially encourage you to reconsider your decision and make it feasible for you to participate.

One-Day Registration: $235

Virtual Speaker

Alternatively, we cordially welcome you to present your research findings to this stage as a virtual speaker. Indeed, virtual registration will cost you: $300. However, because you are an invited speaker, the organization would like to give you a discount of $205 therefore it will cost you $95.

TO proceed further, choose the most appropriate choice from the above packages, click on the following link, enter the sum (385/715/235/95) and proceed with the payment process via: https://www.chemistryconferences.com/pay-now/

Should you have any questions, please do not hesitate to contact us.

Sincerely,
Annie Davina

7TH EDITION OF

ADVANCED CHEMISTRY WORLD CONGRESS

MARCH 26-27, 2026 | ROME, ITALY

Theme: Chemistry for Sustainable Global Progress and Technological Innovations

ADV. CHEMISTRY 2026

PRESENTATION FORUM

01

KEYNOTE FORUM / MINI-PLENARY SESSIONS

Presentations under Keynote Forum or Mini-Plenary Sessions includes abstracts with remarkable research value selected by the program committee. These significant speeches are delivered by globally recognized honorable speakers and it is open to all registrants.

DISTINGUISHED SPEAKERS FORUM (ORAL ABSTRACT SESSIONS)

In this forum, speakers and experts of the research field gets an opportunity to showcase their noble research work that involves comprehensive research findings. These formal oral presentations include a wide range of talks covering basic research to advanced research findings in accordance to the theme and scientific sessions of the conference.

02

03

STUDENT FORUM / POSTER SESSION

This session is particularly introduced to encourage more number of student participation at international conferences, however it is not restricted only to students since it is also available for the participants with language barrier. There are specific guidelines to be followed to prepare the poster. Poster topic should be selected only from relevant scientific sessions with in-depth technical details.

YOUNG INVESTIGATORS FORUM

An exclusive opportunity for students and young investigators to present their research work through a formal oral presentation. Young Investigators Forum provides a global platform for young researchers and scholars to showcase their valuable contribution to the scientific world and to get acknowledged by the global scientific community of experts. It is an excellent opportunity to recognize young scientific assets with promising research ideas. These oral presentations are of shorter time duration with 10-15 minutes of informative and precise presentations in relevant scientific sessions.

Dear Dr. Purushottam Bung,

Greetings!

I hope this email finds you in good spirits and health.

Thank you for acknowledging our invitation to be a distinguished speaker for the Adv. Chemistry 2026.

We warmly invite you to join us and present your research findings and share your insights to this consortium.

Regarding the sponsorship, since we belong to a non-profit organization, it isn't affordable to us to cover all your expenses.

However, as an invited distinguished speaker, the organization is willing to bear beyond 45% of your registration and accommodation expenses.

The revised registration packages are as follows.

Only Registration:

Actual Price: $745

More than 45% Aid: $410

COMBO A (Registration +2 Night Accommodation+Breakfast+Lunch):

Actual Price: $1295

Dear Dr. Bung Purushottam,

ADV. 7TH EDITION CHEMISTRY 2026

Hope you are doing great.

Join the world's leading chemists in Rome, Italy this March 26–27, 2026, as a Distinguished Speaker at the 7th Edition of Advanced Chemistry World Congress.

We found your abstract titled **"Analyzing Twitter and YouTube Posts for Identifying Influencers of Apple Products in the Bangalore Region: A Comprehensive Study with Sentiment Analysis"** quite interesting. We'd be delighted to hear your insights on it.

Discover more about the conference via: **https://www.chemistryconferences.com/**

I'd be grateful if you could share your availability, and I'll follow up with more information.

Note: Partial sponsorship available—email us!

Warm greetings,
Annie Davina
