MEMORANDUM OF UNDERSTANDING

Between

RV Institute of Management (RVIM)
And
RV Institute of Technology and Management (RVITM)

This Memorandum of Understanding (MoU) is made and entered into on 25/06/2025, by and between:

RV Institute of Management (RVIM), located at CA 17, 36th Cross Road, 4th T Block East, Jayanagar 9th Block, Bengaluru, Karnataka 560041, hereinafter referred to as **"RVIM"**, **and**
RV Institute of Technology and Management (RVITM), located at Chaithanya Layout, 8th Phase, J.P. Nagar, Kothnur, Bengaluru, Karnataka 560076, hereinafter referred to as **"RVITM"**.

1. Purpose

The purpose of this MoU is to establish a framework for academic, research, and institutional collaboration between RVIM and RVITM. This partnership aims to foster innovation, interdisciplinary learning, and holistic development through collaborative initiatives that leverage the strengths of both institutions.

2. Areas of Collaboration

The institutions agree to work collaboratively in the following domains:

2.1 Research Collaboration

- Initiate and conduct joint research projects and interdisciplinary studies involving faculty and students.
- Collaborate on publications, patents, and the submission of research proposals for grants and funding.

2.2 Joint Academic Programs and Capacity Building

- Co-host academic events such as seminars, workshops, conferences, and Faculty Development Programmes (FDPs).
- Share expert faculty and infrastructural resources to facilitate knowledge transfer and upskilling.
- Offer collaborative short-term courses, training programs, and innovation challenges, including initiatives on design thinking and problem-solving.
- Offer short term programs on Managerial skills, Business models, Interpersonal skills and soft skills.

2.3 Entrepreneurship and Innovation

- Promote entrepreneurship through joint training programs, mentorship, and incubation support.
- Form cross-institutional student teams to develop and pitch startup ideas, business plans, and prototype solutions.

2.4 Health and Wellness Initiatives

- Organize health and well-being awareness sessions focusing on mental and emotional well-being.
- Foster a positive and healthy academic environment through joint wellness initiatives and support systems.

2.5 Additional Collaborative Areas

- Identify and implement other mutually beneficial academic and research initiatives.
- Facilitate exchange of best practices in pedagogy, administration, and institutional development.

3. Terms and Conditions

- This MoU shall remain valid for a period of **three (3) years** from the date of signing and may be extended upon mutual consent in writing.
- Specific collaborative programs or activities shall be governed by separate agreements detailing responsibilities, funding, timelines, and deliverables.
- Intellectual property generated through joint initiatives will be subject to mutual agreements, with ownership and rights determined on a case-by-case basis.
- Either party may terminate this MoU by giving a written notice of **sixty (60) days**, subject to the resolution of any ongoing collaborative activities.

4. Signatories

IN WITNESS WHEREOF, the undersigned have executed this Memorandum of Understanding on the day, month, and year first above written.
