Eco-Champ Activities

Activity Title: Make Your Own Envelopes Workshop

Date of Activity: 05.06.2024 – 10.06.2024

Description: Participants learned how to make envelopes using old paper, promoting reuse and recycling to reduce waste. The workshop aimed to empower individuals to adopt sustainable practices in their daily lives. Students engaged enthusiastically in learning how to create their paper envelopes, an activity that combined artistic expression with a touch of craftsmanship. This hands-on experience not only enhanced their understanding of design and construction but also promoted environmental consciousness through the use of recyclable materials. Moreover, distributing the handmade envelopes to neighbors, friends, and local shops and planting saplings amplified the workshop's impact. This distribution effort served as a meaningful gesture of community building and connection, as participants shared their creations and spread the joy of handmade goods. It provided an excellent opportunity for students to interact with their community, fostering a sense of goodwill and pride in their work.

Activity Title: DIY Cloth Bag Workshop

Date of Activity: 05.06.2024 – 10.06.2024

Description: Participants learned how to make cloth bags by hand using old clothes or blankets. This hands-on workshop promoted sustainability by reducing the use of plastic bags and repurposing old materials. Students enthusiastically participated in learning how to transform waste cloth into reusable bags, gaining valuable skills in sewing and upcycling. This hands-on activity promoted artistic expression and underscored the importance of reducing waste and adopting eco-friendly practices. The subsequent distribution of the handmade cloth bags to neighbors, friends, and local shops amplified the workshop's impact. By sharing their creations, students spread awareness about the benefits of reusable bags and fostered a sense of community and connection. These interactions highlighted the students' dedication to environmental responsibility and desire to make a positive difference in their surroundings.

Conclusion:

The Eco-Champ activities successfully promoted environmental awareness and encouraged sustainable practices among participants. Individuals were empowered to make positive community changes through hands-on workshops, challenges, and advocacy. Moving forward, we remain committed to promoting sustainability and protecting the environment.
