

**Rashtreeya Sikshana Samithi Trust**

## **R V Institute of Management**

### **Action taken Report on Feedback on Curriculum**

**2021-22**

The following measures are taken by the Institute to enhance the curriculum offered for the MBA program:

**Crossover Learning:** Learning in informal settings can link educational content with issues that matter to learners in their lives. For providing such kind of learning, institute has multi-media cell which organizes various movie shows and other programs so that students can learn life and management lessons in informal environment with better understanding.

**Experiential Learning:** Experiential learning is the opportunity for students to apply what they have been taught to solve real world challenges. RVIM conducts various programs like venture fest, street vendor's interview, model parliament, Strategic Human league and many more so that students can apply their knowledge in the real world and gain the practical knowledge about it.

**Course Docket:** Course Docket is prepared before the semester starts and is provided to the students. It includes all the material related to the course like course objectives, lesson plans, previous year question papers, case studies and articles and important notes related to the course. It helps students to prepare in advance and helps to make classroom teaching more interactive.

**Innovation in Pedagogy:** Faculty members are encouraged to bring in innovative methods in pedagogy like Flip- class method.

**Case-study method:** The Faculty members discuss live cases from industry relevant to the subject. This includes multi-media case study to gain insights on live industry related problems.

**Industrial visits:** Students are taken for Industrial visit to facilitate hands on experience on real time practical exposure.

A handwritten signature in green ink, appearing to read 'J. L. Kumar', written over a faint rectangular stamp.

**Guest Lectures:** Industry experts are invited to share their Industry experience so that students can get a feel of corporate live examples relating to their subjects.

**Value added courses:** Value added courses are offered to students to enable students to be exposed to subjects / topics that are not covered in the prescribed University Syllabus. Several MOOC courses are also done by students to enhance their knowledge in the particular domain. Along with this, a certification Course on 'Management Lessons from Bhagavad Geeta' was also conducted.

**Industry Institution Interaction (III):** Experts from Industry address students as part of the Industry Institution Interaction wherein students benefit from the practical application of subject knowledge in corporate settings and gain insights / recent developments in their respective specialized areas.
