As part of the measurement and monitoring mechanisms of the teaching process, Head of the institution arranges to have each faculty evaluated by his/her students both at the beginning of the semester as a part of formative evaluation and at the end of the semester as a part of summative evaluation. The evaluation data is recorded as per various parameters like Punctuality& Discipline, Completed syllabus of the course in time, Command over the subject matter, Facilitating class room discussion, Skill of linking subject to real world experience/cases, Refers to latest developments in the field, use of innovative teaching methods & tools, Overall quality of course docket, Use of case studies/articles for discussion, Helping approach towards varied academic interests of students, Approach towards developing professional skills among students, Fairness in the evaluation and timely feedback, Inspires students for ethical conduct. After this data is analyzed, a consolidated report is prepared and given to the faculty. The concerned faculty is advised appropriately for further improvements based on the institution's consolidated report. The following flow chart describes the procedure.
