Date: 17 th August'2020 (Final Round)	Venue: RV Institute of Management Online Mode
Time: 10..00 to 2.30	Faculty In-Charge: Prof. Rashmi Shetty
About The Activity: RVIM Centre for Entrepreneurship Incubation and Innovation and General Management Department has organized the Venture Fest Activity as an annual program to encourage student's entrepreneurial venture. 2020 Venture fest is the third edition of the program.	
Objective of the activity: <ul style="list-style-type: none">• Experiential Learning Module Conducted for Third Semester MBA Students (batch 2019-21). The activity aims at providing students the platform for planning and presenting their business plan and executing their business idea for a day.	

Design of the Activity: This is an experiential activity providing students the ability to plan and execute their business based on the business plan. It is a group activity where a team of 12 students. Each team work on the business idea and propose their business plan. In this year the Batch 2019-21 participated in the event with a total of 18 teams.

Rules of the activity: The venture fest was designed around the 6 thinking hats idea of Edward De Bono, this was adapted to encourage students to ideate, innovate and identify with the theme of each bulb. Each team that participated had to pick a type of entrepreneurial idea that are associated with six colour bulbs, these themes have to be represented in the type of entrepreneurial idea they were planning and proposing.

Six bulbs were as follows-

Pink Bulb -this blub represented the gender-based entrepreneurship,

Black Bulb represented Rural Entrepreneurship,

Red Bulb represented Service Entrepreneurship,

Blue Bulb represented Technology based Entrepreneurship,

Green Bulb represented Eco - Entrepreneur,

Yellow Bulb represented Agri based Entrepreneurs.

Total of 18 teams participated in the first rounds with three teams picking similar colour bulb.

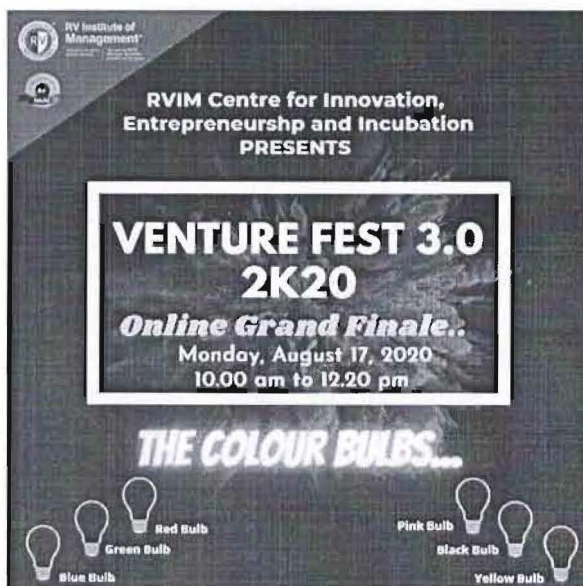

Activity was conducted in two rounds:

- The fest is conducted in two rounds –
 - First round is idea generation and finalisation round. And the
 - Final round-presentation round (This year the final round was stipulated only to presenting the business plan as against every other year students would set up stalls of their enterprise and sell the products.
- Winners are picked based on their stall sales. Due to pandemic situation this year this round was modified with students doing a presentation of their business plan) was conducted.
- The students presented their business plan to a panel of experts and their business ideas were judged by the panel of experts.

Date of the rounds:

- First round was announced in the month of March'2020.
- Final Round Presentation was on 17th August'2020. Results were announced on 20th August'2020.
