**Learning Management System**

Please find below the link for learning management system being followed in the institution. Institution has software named as Quicklrm, which is being used for effective curriculum delivery. This software helps the students to have an access to all the study material at anytime and anywhere. All the faculty members are required to upload all the power point slides and related study material in the software so that it would be helpful for the students for getting better insight of the knowledge. Even with the help of this software faculty members can conduct quiz and test for the students.
