Report Summary

Traditional form of artwork on floor is very popular in most of Indian Homes. They are called 'RANGOLI'. Form of floor art in vibrant colours. Students at R.V. Institute of Management grouped into team to create a big floor landscape to mark this year World Environment Day. The floor art was visible from all floors and from the entrance gate also. This reached to around 250 students and 300 visitors and made a positive impact to take a step towards environmental protection.

IMPACT NOTES-

This art was very attractive and created using only chalk. The viewers shall take a step towards environmental protection.

Help us #BeatPlasticPollution around the world

This World Environment Day, UN Environment is calling on citizens, companies and civil society groups to get out and organize cleanups in their communities. Working with partners, we think it's possible to make 2018 the world's biggest-ever worldwide cleanup and we're keen to showcase all the amazing work the community will be doing to #BeatPlasticPollution.

After you register your event online, make sure you download the mobile app, which will allow you to map your event and share your group's most commonly found plastic products and brands.

Don't forget to use #WorldEnvironmentDay and #BeatPlasticPollution when you talk about your event on social media.
