TITLE OF THE EVENT:	Category : Life Skills
TRAINING ON FIRE FIGHTING	Date : 22.12.2014
	Location : Campus- Sports Field
	Time : 4.00 pm-5.30 pm
Partnering Institution/Supported by : Shashi Security Services	
Participation breakup	TOTAL :196 Students : 170 Staff: 6 Public/Others: 20
Objectives to be achieved	To impart basic firefighting procedures required to different Class of Fire and to understand the procedure for operation.
Report Summary	This Life Skills training programme is a demonstration of firefighting drills in an open space to teach the participants the basics of firefighting. The students were made aware of the preparedness in case of any emergencies and were capable to use the extinguisher.
IMPACT NOTES-Firefighting Skills are Life Skills and is very useful to manage during emergencies. Little is known about class of fire and the right extinguisher to be used for a particular source of fire. All the participants during the demonstration were eager to know more about handling emergencies. His programme helped them to 'BE PREPARED'.	

Director, Four Faculty Members, Maintenance Engineer, Gardner was Present. The other staff from Institute Canteen and Kitchen/Pantry was also present.

Training on Fire Fighting

December 22, 2014

Fire fighting is a life saving exercise and awareness on fire and fire fighting methods and essential for students to meet the challenges when encountered. RVIM Centre for Social Responsibility had organized Fire Fighting Demonstration in the campus ground on December 22, 2014. Sri.G.P.Ravindra Kumar, DGM-Operations, Shashi Security Services and his team demonstrated various extinguishing techniques. Sri. Vidyashankar, Maintenance Engineer, RVIM coordinated in organizing the training programme. Following the event RVIM-CSR is creating guidelines titled *FIRE FIGHTING –Preparing You to Handle Emergency Situation Confidently*.

All the students witnessed the drills and few students operated the extinguishers. Around 170 students were present.

Dr.T.V.Raju, Director, RVIM encouraged the students to be trained in life saving skills.Faculty members also appreciated the students participation in the exercises.

Extinguish the fire is important in any fire accident situation. It is necessary to save many life. This program taught me the details about the fire and types of fire and how to extinguish different types of fire. It was very informative.

It was very useful and we came to know which are different combination of chemical we use to stop fire. I hope it will be very useful for us to help the society as everyone will not be aware of these information.

'C' Sec
It is very helpful for our daily needs
in terms of our safety where we will
depend on L.P. in our cooking. It is
knowledge full section where we collected
major information in short term. Thanks
for conducting it.
