Objectives to be achieved

To inculcate philanthropic values among students and encourage them to participate in volunteering programmes.

Report Summary

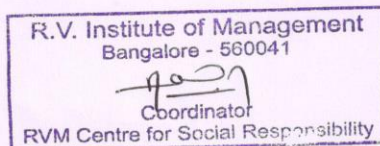

The students were informed them about the significance of the day and encouraged them to do something towards volunteering activities without competing. Accordingly each student carried out his plan the next day (on a Holiday).Few decided to spread awareness about United Nations International Children's Emergency Fund (UNICEF) by playing Table Tennis.

IMPACT NOTES-

The awareness programme was effective on a holiday and likeminded team achieved its objectives of reaching the message on the day.

UNICEF was established on 11 December 1946 by the United Nations to meet the emergency needs of children in post-war Europe and China. Its full name was the United Nations International Children's Emergency Fund. In 1950, its mandate was broadened to address the long-term needs of children and women in developing countries everywhere. UNICEF became a permanent part of the United Nations system in 1953, when its name was shortened to the United Nations Children's Fund. However, UNICEF retained its original acronym.
