

Capitaline Online database

<https://awsone.capitaline.com/index.html#/LandingPage>

The screenshot displays the Capitaline Online database website interface. The browser address bar shows the URL awsone.capitaline.com/index.html#/LandingPage. The website header includes the Capitaline AWS logo, navigation links like 'Home', 'Reach Us', and 'Settings', and a user profile 'Welcome'. A secondary navigation bar contains icons for various features: Screener, Corporate Events, Company (highlighted), Industry, House, Peerset, IPO, Factsheet, Live Application, and CM-Live News. Below this is a search bar labeled 'Enter Company Name'. The main content area is divided into 'Market Performance' and 'Stock Screener' sections. The 'Market Performance' section shows Nifty data as of 22/08/2023, with a current value of 65,220.03, an increase of 3.94 (0.01%) from the previous close of 65,216.09. A line chart shows the index's performance from August 2022 to August 2023. The 'Market Statistics' section lists 'Gainers' and 'Losers' as of 22/08/2023, with a table of companies showing their LTP, change in price, and percentage change.
