Respected Sir,

Sub: Report on Exide batteries 20 no's - reg

With reference to the above, I wish to bring the following to your kind attention:

On February 08, 2011 the institute has purchased Exide tubular batteries 20 Nos. of 12 volts 100 AH. Presently, the above 20 Nos. of Batteries and 15 KVA TPC UPS have been kept in 1<sup>st</sup> floor and plugged in the Digital Library Lab for 45 Systems, Director's chamber, Administrative office for 8 systems, class rooms, Library, HR Department, Incubation centre and General Department.

As per the service report from TPC 20 batteries are not functioning which causes the UPS to trip frequently. For smooth running of practical classes at computer labs, I request your goodself to grant permission for the purchase of the Exide tubular batteries 20 Nos. of 12 volts 100 AH with 2 hours backup.
