Respected Sir

Thank you for the opportunity given to us to serve your esteemed Educational institution

With respect to AMC we had a meeting with Facility Manager today to discuss about the price concession

Discussed with him and explained why we are arrived to that cost and the points are as follows

1. During the AMC period any problem occurs in the ups will be repaired at free of cost (It includes replacement of failed components of electrical, electroincs in the UPS).
2. During AMC period our engineers will visit & maintain the batteries once in two months periodically
3. In case any failure or emergency calls will be attended at free of cost unlimitedly and there is no time limit even Sundays & holidays also.
4. Any breakdowns is not repairable wihtin 60 min we will provide a standby for the uninterubtable power supply to the load so that will have continous power
