Sub:- Request for fee Concession.

Respected Sir,

It is being stated with utmost respect that I am a student of 2nd year MBA, in your prestigious college.

I lost my father 14 years ago and my mother was taking care of my education. Recently, I lost her too. The complete responsibility of my education is on my guardians. Even they are not financially stable I can barely manage to pay CET fees.

Therefore, I am left with no choice but to ask for a fee concession for which I shall be very grateful to you. Your kindness in this matter will save me from dropping out of college. I have good academic record and I assure you that it will remain like that until I graduate from this college.

Thanking you.
