Coordinator – Business Analytics Program

Date: 12 th to 16 th December, 2023	Venue: Online over zoom – Business Analytics Lab
Time: 04:00 pm to 06:00 pm	Event : Webinar
No. of Participants: 521	Event Coordinator: Mr. Mithun D J, Dr. Jahnavi, Mr. Nagasubba Reddy & Ms. Ankita Shrivastava

Objectives

- Explore Real-world Implementations.
- Optimizing Business Outcomes.

The flow of the Event

- Introduction and information on the impact of Emerging Technologies.
- Hands on exposure.

Outcome Achieved:

The 5-day webinar, Revolutionizing Tomorrow: The Impact of Emerging Technologies, successfully concluded, providing participants with valuable insights into transformative technological trends shaping the future. Hosted by the RV Institute of Management in association with Boston IT Solutions India Pvt. Ltd., the sessions equipped attendees with practical knowledge and skills to effectively integrate emerging technologies into their professional domains. Covering a spectrum of topics, including Robotic Process Automation (RPA), low-code/no-code development, AI-driven analytics, cloud computing, and cryptocurrency, the webinar fostered an environment of innovation and learning.

Participants reported a deeper understanding of how these technologies can drive efficiency, innovation, and growth in various sectors. The sessions highlighted actionable strategies for automation, the benefits of simplifying development with low-code platforms, and how AI-powered tools can generate powerful insights. Furthermore, the discussions on cloud computing essentials and the practical applications of blockchain and cryptocurrency provided attendees with a robust foundation to navigate the complexities of the digital frontier.

The program concluded with a sense of accomplishment among the attendees, who left with enhanced confidence and readiness to embrace digital transformation within their respective organizations. The speakers' expert guidance and real-world examples ensured that participants could immediately apply the knowledge gained to achieve competitive advantages and drive impactful results in their industries.

Feedback & Coordinator Comment:

The 5-day webinar, Revolutionizing Tomorrow: The Impact of Emerging Technologies, received overwhelmingly positive feedback from participants, who appreciated the depth of knowledge, practical insights, and engaging delivery by the expert speakers. Attendees highlighted the relevance of the topics, the clarity of explanations, and the applicability of the concepts discussed, particularly in the areas of AI, RPA, and blockchain. Prof. Mithun, the coordinator, expressed gratitude to the speakers for their invaluable contributions and the participants for their active involvement, emphasizing that the event successfully achieved its objective of empowering professionals to navigate and lead in the era of emerging technologies.
