SAP Certification Report

Centre for Information Technology conducted Certification course on various modules of SAP (System Application and Process in Product Designing – BI (Business Intelligence), SD (Sales and Distribution) and FICO (Finance & Controlling) for MBA second year students. Resource persons are as follows:

1. Mr. N. Basavaraj, SD Consultant, SAPTAC, Bangalore, was the resource person for SAP-SD Module
2. Mr. Ganesha N, FICO Consultant, SAPTAC, Bangalore, was the resource person for SAP-FICO Module
3. Mr. Nagabhushan B.V, BI Consultant, SAPTAC, Bangalore, was the resource person for SAP-BI Module.

The course was held during the period between 21-10-2014 and 17-05-2015 with the duration of 45 hours where the resource persons covered theory and practical part of various SAP Modules. External link was provided for the students for their practical knowledge. Students were allowed to use the link for one year from any network (even from home). The total number students in the certification course as given below:

Sl.No	Module	Number of students
1	SAP-FICO	09
2	SAP-SD	13
3	SAP-BI	05
Total		27

Various topics covered in the course duration were as follows:

SAP-FICO

1. Introduction
2. Enterprise structure ,Financial accounting global settings
3. General Ledger accounting ,Accounts receivable and payable
4. Bank accounts , Bill Exchange , VAT calculations
5. Foreign currency asset accounting , New GL Accounts , Financial Statement versions
6. Reports and controlling

SAP-SD

1. Sales overview
2. Enterprise structure related to SD
3. Master data, like Customer master data, material master data, condition master data and Output master data.
4. Partner determination ,Sales document types, Item categories
5. Schedule line categories, Pricing: Condition table, access sequence, Condition type, pricing procedure
6. Stock Posting, Free goods, Bills of Material
7. Material determination, Material Listing and Exclusion
8. Incompletion logs, Revenue account determination & Credit management
9. Outline agreements like quantity contract, value contract and scheduling agreements
10. Shipping process like Shipping point determination, Route determination, Shipping conditions picking, PGI, Delivery types, Delivery item categories, Invoice process
11. Billing types: Special sales processes like cash sales, rush orders ,consignment process and Third party process
12. Return sales process, Credit memo process ,Debit memo process
13. Availability check, Rebate processing, Intercompany sales, determination
14. Copy control, Integration with MM,FI

N. N. N.

SAP-BI

1. Modelling:

Data warehousing workbench ,Creation of Info Objects ,Characteristics, Key figures
Infocubes, Multi Providers, Infospokes

Infosets

Datastore Objects

Transformations

Info Sources

Data Sources

Data Transfer Protocols

2. Extraction:

LIS (Logistics Information System)

LO (Logistics

MM (Material Management)

SD (Sales & Distribution)

FICO (Finance & Controlling)

Flat file Loading

3. Reporting:

BEX (Business Explorer) Query Designer

Web Application Designer

Web Analyzer

Analysis Process Designer

Feedback was collected from all the students and was found to be good. Certificates were distributed for all the students who satisfied the eligibility criteria.

Report on Seminar

Topic: IT Trends in Management

Resource Persons: Mr. Vijay Kumar H V, Mr. Supreeth H R & Mr. Basavaraj N

Date & Time: 15-10-2014, 2:00 pm – 5:00 pm

Venue: Seminar Hall, RVIM

Department of Systems Management and Department of General Management organized a seminar for I semester students (A, B, C & D sections) on the topic “Trends in IT” on 15th October, 2014. Main objective of the seminar is to create awareness about importance of technology in Management and various opportunities for management students in IT sector.

Programme started with a silent prayer and continued with the welcome address given by Mr. N Nagasubba Reddy, Department of Systems Management. Experts in various SAP modules were invited as resource persons for the programme and details are as follows:

Session 1:

Resource person was Mr. Vijay Kumar H V, ABAP consultant with 8 years of rich experience and working for a Multi National Company in Bangalore. Mr. Vijay covered the below topics:

- Meaning and importance of ERP
- Various companies implementing ERP software
- Inception and brief history of SAP
- How and Why SAP stands as worlds best ERP Software
- 3 tier architecture of SAP
- Various Modules in SAP and on what basis they are segregated
- Channelized partners of SAP
- SAP Landscape

Session winded with Question and Answers where students doubts regarding opportunities for Management students in SAP were cleared.

Session 2:

Resource person was Mr. Supreeth H R , BI consultant with 7 years of experience and working for a Multi National Company in Bangalore. Topics covered are as follow:

- Various Technical Modules and their functionality in SAP
- Techno functional modules of SAP and how it is unique from other modules functionality
- Functional modules of SAP and how is the job market for those modules
- Brief history of BI, its importance and the main purpose of BI
- Where BI is used
- How BI meets user requirements and stands one among top 10 business & technology priorities for 2014

Session wined up with question and Answers regarding the time duration, fee structure for certification of various SAP Modules and the importance of IDES server.

Session 3:

Resource person was Mr. Basavaraj N , Senior SAP consultant in a Multi National Company, Bangalore, with 23 years of experience and expertise in various SAP modules like FI, CO, SD, MM and PP.

Topics covered are as follow:

- Role of technology in Management
- Purpose of legacy system
- Replacement of Legacy System to various ERP software
- Scenario for the Legacy system replacement to SAP
- SAP implementation in various organizations
- Technology helps management by providing various options in SAP
- Complete business flow which covers the importance of various SAP modules

Vote of thanks was proposed by Dr. Noor Firdoos from Department of General Management.

Programme was compeered by Ms. Pushpa from Department of Systems Management.

A Brief report Certificate course in MS-Office 2007

Centre for Information Technology conducted a Certification programme in MS-OFFICE 2007 for the First Semester MBA from 22nd September 2014 to 5th January 2015. The main objective of this course is to create awareness about different packages in MS-OFFICE- 2007 which helps them in their internship and Dissertation report preparation and to create weightage for the students resume that helps them during placements. Mr.Nagasubba Reddy, Asst.Professor, Department of Systems Management was the resource person.

Course details are as follows:

- Total number of hours : 25
- Duration of the course : 3 Months

Sl.No	Subject	Hours
1	MS-Word Theory and practical's	08
2	MS-Excel Theory and Practical's	12
3	MS-Power point Theory and Practical's	05
Total		25

Eligibility Criteria

1. Students are required to attend for not less than 60% of the classes in order to be eligible to appear for the Certificate course examination
2. A candidate shall be declared to have passed the Certificate course programme if he/she secures at least a 50% in the aggregate of both Theory paper/practical/project work

Scheme of Examination :

The evaluation will be done based on theory/Practical

Duration of the Examination is 1.30 hours

Examination pattern for 100 Marks includes

- 20 objective questions for 20 Marks
- MS-OFFICE Practical for 30 Marks
- Project work for 40 Marks
- Attendance for 10 Marks

Result was given in grading system

SI.NO	Percentage	Grade
1	80 and above	A+
2	70 – 79	A
3	60 – 69	B+
4	50 – 59	B

Out of 152 students, 142 students were qualified for the examination as per above mentioned criteria. Examination was conducted on 5th January 2015 in two batches. First batch was between 2:00 pm to 4:00 pm for 1st Sem A & B Sections and Second batch was between 4:30 pm to 6:30 pm for 1st Sem C & D Sections students. Feedback from students on various aspects of certificate course was collected, analyzed and found to be good. 93 students passed the examination with A+ Grade , 37 students with A grade , 09 students with B+ grade and 03 students with B grade.
