Alumni Interactions with 2nd Semester B section students

Date: 13-3-2025	Venue: 209
Time: 1.00pm to 1.30pm	Event : Interactions with Alumni
No. of Participants: 60	Event Coordinators: Prof. Anitha BM Dsilva

Objectives of the Interaction

1. **To Bridge Academia and Industry**-To provide students with practical insights into industry expectations, workplace culture, and real-world challenges through alumni experiences.
2. **To Enhance Career Awareness**-To guide students on career pathways, emerging job roles, higher education options, and skill requirements in various industries.
3. **Facilitate Mentorship and Networking**-To create opportunities for students to interact with alumni, build professional networks, and seek mentorship for career and personal development.
4. **To Share Practical Knowledge and Experiences**-To enable alumni to share real-life experiences, success stories, challenges, and lessons learned, enriching students' learning beyond textbooks.

Key Points Discussed by Alumni Regarding Their Organization

During the alumni interaction session, the speakers shared valuable insights about their respective organizations, focusing on both operational and strategic aspects. They explained the nature of their organizations, including the industry they operate in, organizational structure, and core business activities. Further, the speakers discussed industry trends, technological advancements, and digital transformation within their organizations. They shared insights on how their companies adapt to market changes, manage competition, and focus on customer-centric strategies.

Alumni also highlighted career growth opportunities, performance evaluation systems, and learning and development initiatives available within their organizations. Real-life examples and experiences were shared to help students understand workplace challenges, ethical issues, and professional expectations. Overall, the session provided students with a realistic understanding of organizational functioning, industry expectations, and the competencies required to succeed in the corporate world.
