The same student members also expressed that he has taken the names of certain students unnecessarily without understanding the meaning and nature of ragging, created only confusion in the minds of students.
13. Some of the student members also placed before the committee that Mr. Mandala Sravan Kumar has sent a message on 14th May, 2016 to the mobile of one the lady students that, she has to ask apology in public, if not, he is going to take legal action and also threatened with consequences. - b. Letter submitted by Mr. Mandala Sravan Kumar along with the sheets containing Watsapp messages.
- c. Minutes of the meeting held on 21.05.2016
- d. Letter submitted by Ms. Sushmita M along with the sheets containing the watsapp messages.

Director welcomed all the committee members for the meeting and the meeting was commenced with silent prayer.

Minutes:

The chairman of the anti-ragging committee read the content of the notice which was issued to Mr. Mandala Sravan Kumar on 25th May 2016.

Further he requested all the committee members to note the content of the letter submitted by Mr. Mandala Sravan Kumar along with the sheets containing Watsapp messages and also the Letter submitted by Ms. Sushmita M along with the sheets containing the watsapp messages, so that discussions and decisions on the same can be initiated in the meeting.

Discussion and Decisions:

1. Most of the members of the committee felt that, Mr. Mandala Sravan Kumar has given the advices and suggestions to the head of the institute (Director) in his letter rather than giving proper responses to the issues raised by the members mentioned in the notice served on him. Further he had mentioned in his letter that, he wants to correct the director on various issues. This is not fair on the part of a student to guide the authorities of the institution.
2. Most of the members expressed their shock over how Mr. Mandala Sravan Kumar can address the Director according to his whims and fancies without extending any respect to the authorities.
3. Many members felt that the watsapp messages which are submitted by him as evidences cannot be accepted as proof of the case, as the messages doesn't contain his name.
4. Members also felt that Mr. Mandala Sravan Kumar does not belong to this watsapp group. So how these messages can be considered as evidence.

5. Some members felt that he is depending more on the court of law rather than the Regulatory norms of the institute and this is not a correct attitude of a PG student. He is not on the right path and he is in confused state of mind. Some steps are to be initiated to correct him and bring him to the right path.
6. Members felt that the watsapp messages contain the names of many students but he had mentioned only few names in his letter stating that they had ragged him. The committee felt that Mr. Mandala Sravan Kumar is targeting these students.
7. Most of the members expressed that the students whose names are mentioned in the letter may be having mental tension about the issue and they may not be in a position to prepare for the examinations which are fast approaching.
8. Most of the members felt that, in point number 5, Mr. Mandala Sravan Kumar mentions that he is giving the information to Ms. Sushmita Manjunath and not threatening her. But from the Watsapp message, it is found that he will take legal action against her and threatens her by saying face the consequences if she don't ask apology in public.
9. Members felt that Mr. Mandala Sravan Kumar is trying to disturb the environment and causing damage to the reputation of the institute by violating the disciplinary norms of the institution. It should be viewed seriously.

Finally it was decided by the committee in the meeting that Mr. Mandala Sravan Kumar and other students - Mr. Baquar Hussain, Mr. Shoaib Ahamed Khan, Mr. Kurva Akash Babu Shanta, Ms. Sushmita Manjunath, Ms. Nawal Ehesan and Ms. K Maharani are to be called for explanation in the next meeting. Further it was decided in the meeting that parents of the students should also be informed to attend the meeting. The next meeting of the Anti-ragging committee will be held at 3.00pm on Saturday, June 4, 2016 in the board room of the institute.

The meeting was concluded with vote of thanks by the chairman of the Anti-ragging committee.
