Process of selecting the RVIM Student Council

Introduction

RVIM Student Council is a body of 16 students of RVIM, who are pursuing their MBA programme. As the students are the important stakeholders in our Institute, there was a need to have student representation in the strategic decisions of the Institute. With this purpose in the background, RVIM decided to constitute a Student Council in March 2018. The process of selection is listed in the steps as follows:

1. The Student Welfare Officers were identified by the Head of the Institute.
2. The Student Welfare Officers meet the Head of the Institution and chalk out the process of selecting the student representatives.
3. At least 2 student representatives, one boy and one girl need to be selected from each section.
4. The Student Welfare Officers visit the classes and tell the students about the student council.
5. The class is then asked to nominate their representing students.
6. The voting rights of the students are exercised if more than one boy or one girl student are nominated.
7. The students getting maximum votes in the respective class become the class representatives and members of the student council.
8. The elected members then have first formal meeting with the Head of the Institute and the Student Welfare Officers.
9. The student members select the portfolios they will be working for like
 - a. Placements
 - b. College Events
 - c. Industrial Visits
 - d. Sports
10. The student council will operate for one semester and will change in the next semester.
