ABOUT THE PROGRAMME

Inter Class Drama Competition for Students of batch 2021-23 on the theme ‘Breaking Gender Bias’. As part of the competition students had to gather information of the various gender bias that are prevalent especially against women in the country and stage them as part of the drama, in the process students became more aware of the gender bias and could empathize with them. The panelists judged the drama and announced the winners (*Winning teams photo is given here*).
