Outcome Achieved/ Attained: Pariksha Pe Charcha 2020 was an online interaction provided to all the students in the campus to tackle critical issues relating to examination preparation. The Prime Minister address was supportive to answer many general students queries relating to examination and thus was helpful to the students in the campus to face the challenges in a positive approach. Sensitive issues relating to the student life and examination stress was answered through the question session. This was beneficial to some extent for some. The programme was very much needed at this point of time as exams in RVIM were fast approaching. The live programme has been helpful to make a great impact on students in deciding the priorities by balancing with Academics, Extracurricular. This was a key point discussed.
