R.V. Institute of Management, Placement and Training Center organized Webinar session on the topic of, 'New Technology for Corporate World'; the session was conducted on 27<sup>th</sup> June'2020.

**Objective of the FDP:**

Session on 'New Technology for Corporate World' conducted on 27<sup>th</sup> June'2020; this session was aimed at introducing new technology that has been in use in the corporate world as part of the industry academic learning initiative. Agile Management as a new technology for corporate world is a new practice that has been used to ensure workplace efficiency. This session aimed at making the students familiar with these technological concepts,.

**Resource persons for the FDP:**

- Mr Rajeev Jain, **Agile Coach at Wipro Digital**, Agile Coach having 25+ years of IT experience.

'New Technology for Corporate World'

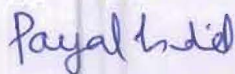

- The session began with introduction to the resource person.
- Session provided ample information on Agile as a management principle followed in Corporate. Role and Importance of how this is implemented by corporates and what is the benefit of this management system is given here.

**Take away from the session:**

- The session gave the industry perspective of new technology and its adoption by the corporates
- The session gave students the perspective of the corporate world and the ways in which they add the new technology to their work process.

**Feedback of Students:**

All participating students have given satisfactory rank for the session and remarked it as informative.
