BIMALA INDO NIPPON CONSULTANTS (BINC) Bangalore and BIMALA TARINI JAPANESE LANGUAGE SCHOOL (BTJLS) Bangalore in collaboration with MOSAIQUE Pvt ltd , Singapore – Japan as our placement partner which is having collaboration with ZENKEN INDIA , RAKUTEN, AGTECH-PRO, TOYOTA aims to create new educational value by merging excellent elements of Indian educational contents with the Japanese educational contents based on enterprise needs. This project "Human resource development merging the best contents of Indian and Japanese vocational training in accordance with needs of enterprises — India" is by the Ministry of Education, Culture, Sports, Science and Technology - Japan (MEXT)

Under the guidance, advised and support from National Skill Development Corporation (NSDC) BINC wishes to open and operate Japan Career Centre(JCC) as a program in the premises of RVIM. The main purpose of this program is to promote Japanese Language and its culture to Indian students to make them employable to the Japanese industry world-over. This program aims to identify trained students in the required skills sets to provide them with career opportunities in the Japan market.

Role of BINC :

BINC will support the program by providing the following towards setting up JCC in RV Institute of Management

1. A Japanese trainer to train the students of RV Institute of Management . This trainer will be deputed by BINC.
2. The selected students will undergo the training at special fees offered to your college.
3. BINC will assume responsibility of proper conduct of classes, including development of course content and delivery there off.
4. BINC shall ensure that job opportunities received shall be exposed and offered to students of RV Institute of Management .
5. BINC shall help to create a pool of students who wish to pursue higher education in Japan and a pool of skilled graduates who wish to work in Japan.

Role of RVIM

will support the program by providing the following towards setting up JCC in the College

1. Classroom with Audio-Visual Facilities for conducting the sessions
2. Dedicated work space for the staff of JCC with Internet facilities and other work terminal requirements.

Bimala Indo Nippon Consultants
Bimala Tarini Japanese Language School

3. Support BINC in candidate identification for placements
4. Support BINC in Organising Job recruitment drives for RVIM.
5. Support other initiatives that would be offered as beneficial to RVIM students.
6. Help Desk support from RVIM.

Benefits to RV Institute of Management

1. Brand Building — Higher interaction with Japanese corporates and other dignitaries will build higher credibility for RVIM.
2. RVIM students gaining this additional skill set will be better equipped to having higher career opportunities in Japan or towards Japanese industries elsewhere in the world including India.
3. Other value additions are student exchange programs — RVIM students to Japanese Universities and Japanese University students to RVIM as per the commencement of the programme.
4. Short Term Internship programs for RVIM students and cultural activity internships as per the commencement of the programme.
