No. of Participants: 20	Event Coordinator: Dr. Anupama K Malagi

#### Objectives

The objective of the capacity building workshop is

- to discuss about the various ways in which the institution can be better prepared for NIRF
- To encourage innovative practices focused on enhancing NIRF ranking

#### Brief summary of the Event

RVIM IQAC organised the orientation session on NIRF Preparations in association with StemVogel , Bengaluru for the benefit of all the faculty members. The following is the schedule for the 1 day program:

**Workshop on NIRF- Program schedule 05.04.2021**

**Resource Person: Prof J R Sharma**

Session	Time	Areas of Discussion
I	9.00am-10.45am	Overview about NIRF- Benefits, guidelines, Processes, etc
	<b>10.45am-11.00am</b>	<b>Break</b>
II	11.am-1.15 pm	-Discussion on the various parameters of NIRF - Discussion about the best practices adopted by premiere institutions
	<b>1.15pm-2.00pm</b>	<b>Lunch Break</b>
III	2.00pm-4.00pm	-Preparation for NIRF and sustaining in NIRF Ranking - Developing a strategy to secure a position in top 75

**Outcome Achieved/ Attained:**

This program helped us in learning from the vast experience of the resource person and understand the innovative practices that can be implemented so as to achieve higher ranking in NIRF.

It also helped us in strengthening the overall teaching learning & research environment in the Institution.
