REPORT
ON
Training on “Corporate Readiness”
(Communication and Softskills)

Date: 06.01.25, 07.01.25,08.01.25,	Venue: Seminar Hall Conducted By : Center For Career Development Resource Person: Ms. Sheeba rajendran
Overview: As part of the employability enhancement initiative for MBA students (Batch 2024–26), Ms. Sheba Rajendram conducted a session on Corporate Readiness . The workshop focused on preparing students for the transition from campus to corporate, equipping them with the knowledge, mindset, and skills needed to succeed in the workplace.	
<u>Objectives :</u> • To create awareness about corporate expectations and professional standards. • To prepare students with skills and attitudes required to thrive in the corporate world. • To guide students in developing adaptability, accountability, and professionalism. • To emphasize the importance of communication, teamwork, and workplace etiquette. • To motivate students to align their academic learning with career readiness.	
Agenda/Flow of the Event • Students gained clarity on the skills and behaviors valued in corporate settings. • Practical exposure to workplace expectations helped them understand how to adapt quickly. • Interactive activities reinforced the importance of collaboration and communication. • Students became more aware of the need to present themselves professionally.	
Learning Highlights: • The session was interactive and engaging, with students participating in discussions, activities, and self-assessments. They appreciated the practical advice shared on transitioning smoothly into the corporate world.	
Take away of the session : Students expressed improved confidence about entering the workplace. They recognized the importance of professional conduct, adaptability, and corporate etiquette , and understood how to apply these skills in their upcoming internships and careers.
