Report on the Training on PI as part of Employability Skills

<u>Dated 31-08-2024</u>	Venue: Seminar Hall Conducted by: Center for Career Development Resource Person: Mr. Fazael	
--------------------------------	--	--

Date	Topics Covered	Class	No of students
31-08-2024	Group Discussion (F2)	2nd Semester MBA (2023-25) 6 Groups 8 students each	48
31-08-2024	PI (F2F)	2nd Semester MBA (2023-25) 6 Groups 8 each	48

Overview:

As part of the Employability Skill for MBA students (Batch 2023–25), **Mr. Fazael** Consultant Trainer, conducted training on GD & **Personal Interview (f2f)**. These sessions were designed to strengthen students understand corporate expectations, develop structured responses, participate effectively in group discussions, and present themselves confidently during interviews. It also strengthened essential employability skills such as professional etiquette, problem-solving ability, and workplace readiness.

Objectives

1. To familiarize MBA students with real-time Personal Interview processes.
2. To enhance students' communication, confidence, and analytical thinking skills.
3. To prepare students to handle placement interviews professionally and effectively

Agenda/Flow of the Event

- Introduction to PI in placements.
- Guidance content development, and common mistakes to avoid.
- Insights into recruiter expectations and industry requirements.
- Practical session including resume drafting and Mock PI practice.
- Feedback, review, and summary of key takeaways for placement readiness.

Learning Highlights

- **Improved confidence and communication skills during PI sessions.**
- **Better understanding of interview expectations and effective response techniques.**

• Enhanced ability to present ideas clearly and participate constructively in group discussions.

• Increased awareness of professional etiquette and placement readiness skills.

Student Engagement:

The sessions were highly participatory, students actively participated and gave their best during mock PI and also got few inputs as feedback.

Take away of the session:

Students gained practical experience in participating in facing interviews, improved their confidence and articulation skills, and developed better clarity on corporate expectations and placement preparedness.
