EY provides a range of business –specific training solutions to address the need of professionals. Building a better working world EY exists to build a better working world, helping to create long term value for clients, people and society and build trust in the capital markets. Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate. Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask questions to find new answers for the complex issues facing our world today. EY refers to the global Organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients, information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via com/privacy. EY member firms do practice law where prohibited by local laws.

Objectives:

To facilitate to students to learn and understand the practical implications of leadership strategies of big companies in the market. And also focused on the importance of boot camp (induction) for the selected students.

EY Young Tax Professional of the Year(YTPY) is an International competition designed to recognize and foster the next generation of tax leaders. Originally started in 2011 with 9 countries, after completing 12 years of the competition, the current iteration of YTPY brings together future tax leaders from across 60+ countries. YTPY is one of the biggest campus engagements with colleges and is a big opportunity for students to kick start their career and take a step into the world of tax

Agenda / flow of the event

- Relationship building
- Agility and adaptability
- Innovation and creativity
- Employee motivation
- Decision -making
- Conflict management

- Negotiation
- Critical Thinking

Take away from the session: This program on Leadership session aimed to understand the practical implications of leadership strategies of big companies in the market.

YTPY helps to gain a more comprehensive understanding of how tax plays role in the strategic direction of a multinational business-that it goes beyond just being a mere part of your profit and loss statement.

YTPY has shown the world how pivotal and exciting tax can be, and it is an amazing opportunity to interact with learn from tax professionals with various perspectives, cultures and experiences.
