1. Objectives of the event:

- To help students understand the contemporary HR practices in professional environments.
- To create awareness about the importance of continuous learning, self-development, and leadership skills for career growth.
- To provide industry-oriented insights on communication, teamwork, adaptability, and professional behavior through expert interaction.
- To motivate students to develop leadership qualities, confidence, and a proactive mindset required for success in the corporate world.

2. Event Details

a. Brief description of the event

The session titled “Learning to Leading” was organized to provide MBA students with insights into the journey from being learners to becoming effective leaders in the corporate world. The event focused on the importance of continuous learning, leadership mindset, communication, teamwork, adaptability, and professional growth in today’s dynamic business environment.

The resource person shared practical experiences and industry-oriented perspectives on how individuals can develop leadership qualities through self-awareness, responsibility, and lifelong learning. Interactive discussions and real-world examples enabled students to understand the connection between academic knowledge and workplace expectations. The session motivated participants to enhance their personal and professional competencies to become future-ready leaders.

b. Brief profile the resource person/s

Mr. Chandramouli is the Head – Human Resources at Abylle Solutions with extensive experience in Human Resource Management, Learning & Development, employee engagement, talent management, and organizational development. He has significant

exposure to corporate HR practices and has been actively involved in developing people-centric workplace cultures and learning initiatives. Through his professional journey, he has guided employees and young professionals in enhancing leadership capabilities, communication skills, and career growth. His expertise in leadership development and organizational learning provided valuable insights to the students during the session. His practical industry experience and engaging interaction style made the session highly informative and inspiring for the participants.
