IT support extended to staff members during pandemic

The institution encourages ICT usage by all the faculty members in order to enhance teaching and learning effectiveness. All staff members (both teaching and non-teaching) have been provided with laptops to ensure uninterrupted functioning of the institution. Even during the lockdown due to pandemic, adequate support was extended to the faculty members by way of providing the following facilities.

1. Webcams
2. Head phones
3. White boards
4. Desktops
5. Institutional ZOOM Licenses for conducting classes, webinars etc up to 500/1000 participants.
6. Regular training sessions for better usage of Learning Management System QUIKLRN
