This book has been written primarily for the students those who are willing to appear entrance exam of Master of Business Administration course, it will also cater the requirement of undergraduate and post graduate students in the disciplines of proficiency in English language, General awareness, Reasoning & general intelligence, Quantitative analysis etc..

In competitive examination it is not the minimum pass percentage you score that counts, which gives you success but the minimum percentage of marks you score. Your performance will be evaluated by the relative performance of the other candidates appearing in the exam. Even if you have secured 70 percent of marks if most of the candidates secure higher percentage of marks, your selection will be peril. So it is essential to know some salient characters of your competitive examination to achieve success in them. It has been our sincere wish that the candidate after going through this book would be definitely showing his/her superiority over others.
