## Second International Conference- MRD 2.0- 2024 on “Advanced Research Methods, Tools and Techniques for Multidisciplinary Research”

Date: 20th and 21st February 2024	Venue: Online
Time: 10.00 am to 8.00 pm.	Event: Second International Conference- MRD 2.0- 2024
No. of Participants: 200 from across world	Event Coordinator: Dr. Noor Firdoos Jahan

### Resource Person:

- RHITURAJ SAIKIA
- PRATISHA KUMARI
- SUKHWINDER SINGH
- ARUNA ANCHAL
- NKUWA MILOSI GEORGES
- ADELEKE ADEDAYO ISRAEL
- PURUSHOTTAM BUNG
- NOOR FIRDOOS JAHAN

### Objectives

In the ever-evolving landscape of research and innovation, multidisciplinary international conferences play a crucial role in shaping the future of academia and industry. MRD 2.0 2024, as a preeminent event in this realm, stands out for its potential to significantly bridge the gap between traditional academic research and professional research development. This essay explores how MRD 2.0 2024 will foster innovation and collaboration, thereby transforming the global research community.

RV Institute of Management collaborated with Eudoxia Research Centre India and Eudoxia Research University- USA, organize MRD 2.0 2024, Second International Conference on Advanced Methods, Tools and Techniques for Multidisciplinary Research. The conference was well attended by the delegates from different parts of the world, it was very good learning for all the researchers.

The main aim and focus of this MRD 2.0-2024 are to provide an opportunity for Academics and Researchers around the world to discuss and share the This Live Second International

Conference MRD 2.0-2024 serves as a critical platform for academicians and researchers to transform their educational practices and align them with the demands of the industry. This essay explores the necessity of MRD 2.0-2024 in fostering a shift towards professional, industry-based, skill-based Research.

The conference was well received by the researchers from across world nad more than 300 papers were presented in the conference. Six papers were presented by the faculty and students of RVIM as well. Overall it was a very good experience for the scholars and got good inputs to improve their papers. The selected papers will be published in the form of book as conference proceedings. Dr. Noor Firdoos Jahan, convener from RVIM and Dr. Purushottam Bung, Director, RVIM are also the part of editorial team.
