BUSINESS IMMERSION PROGRAM

RVIM being autonomous status has initiated more experiential learning-based modules in the MBA Program Business Immersion Programme is one of such programmes. A 6 week long organization study with an aim to provide students the first-hand experience of working in an organization of their choice and bring out a report on their learnings based on their work experience. Students did their BIP program under the guidance of their faculty guide and the company guide. The program outcome was enriched as it included faculty guide's interaction with the company guide and visit to the organization by each of the faculty guide. The photo gallery below celebrates this experiential learning initiative for students of first batch under autonomous RVIM
