RSST Goal

Rashtreeya Sikshana Samithi Trust believes that every individual from each strata of society needs education to fulfil aspirations.

The Trust will constantly strive towards this social need by inclusion and expansion of streams of academics in its institutions and further commits to match infrastructure for its effective enablement.

With a vision to excel in all its activities, the Trust envisions to create an atmosphere of involved learning, instil a spirit of enquiry, induce healthy challenges, encourage sustainable accomplishments and ensure enriching rewards to everyone - students, parents, teachers and associates.

Thus, emerge as a conglomerate of world-class academic Institutions, each taking pride in having nurtured knowledge that will lead to global happiness, peace, harmony and prosperity.

Rashtreeya Sikshana Samithi Trust (RSST)

RSST – Rashtreeya Sikshana Samithi Trust was started during pre-independence era i.e., in the year 1940 with only six students by its first and only teacher: the founder **Sri M.C. Sivananda Sharmaji**. The sapling he planted 79 years ago is today a MIGHTY TREE which is reflected in the establishment of 23 premier institutions with over 2000 staff members and around 21,000 students, offering education from Nursery schooling to Doctorate level. Today, the alumni of RV Institutions are placed in senior positions at various national, international & global organizations. Also, the Trust runs a special school for differently abled children to cater to the special needs of the society. Through yeomen service to the nation today, the RV brand is being recognized as a household name, a synonym for quality education. RV has become a part of Bangalore Road map with a road named after it. Presently, the Trust is led by Dr. M.P. Shyam as President of Rashtreeya Sikshana Samithi Trust with the group of distinguished Member as board of Trustees.

Director's Message:

Greetings from RVIM!

I extend a warm welcome to everyone, introducing you to the realm of RV Institute of Management, a distinguished independent establishment of exceptional quality, situated in Jayanagar, an exquisite and centrally-located neighbourhood in Bangalore, renowned as the Silicon Valley of India and the country's IT capital.

The establishment of RSST (Rashtreeya Sikshana Samithi Trust), of which RVIM is a part, dates back to 1940. This trust stands as one of the rapidly expanding groups of educational institutions in Karnataka, covering a wide array of academic and research domains. Currently, RSST oversees more than 23 institutions, attracting over 21,000 students

from across India and abroad who are actively pursuing their educational aspirations. Furthermore, a recent addition to this collection is RV University, which was founded in 2019 and comprises of six new schools.

Echoing our motto, *"We prepare you for life"*, RVIM has gained nationwide recognition for delivering comprehensive, high-quality management education since 1999. Our committed and seasoned faculty, possessing industrial experience, coupled with a modern and industry-aligned curriculum comparable to the finest institutions; state-of-the art infrastructure: student-centric approach; outstanding placement assistance; and strong connections with industries and institutions both domestically and internationally, constitute some of the prominent attributes of RVIM. These salient features of RVIM have led to unparalleled placement achievements.

Amidst the present landscape, data has emerged as the modern-day equivalent of oil. The demand for analytics is experiencing an unprecedented surge, surpassing all previous expectations. As a result, the need for analytics professionals has skyrocketed across various fields. Nowadays, making decisions based on data has become the standard practice. Within this context, **RVIM** has partnered with **Boston IT Solutions India Pvt. Ltd.**, to offer a meticulously crafted one-year **Post Graduate Diploma in Business Analytics (PGDBA) Program**.

The program structured to cater to fresh graduates aspiring to venture into the analytics realm and also to cater to working professionals seeking mid-career transition or advancement in their career growth. Its primary aim is to cultivate analytical prowess among students. This proficiency is vital for making data-driven decisions and bridging the gap between participants' existing knowledge and skills and the dynamic demands of the industry. The program boasts a rich amalgamation of experiential courses, core courses, skill enhancement courses, functional and open electives, culminating in a real-world capstone project.

RVIM's primary focus has been to establish an environment for learning that is both conducive and forward-thinking, aligning with the principles of NEP-2020. This approach caters specifically to millennial learners, offering innovation, personalization, transdisciplinary approach, and flexibility in their learning voyage. The goal is to ensure that upon completion of the PGDBA course, graduates are fully equipped to meet the emerging demands of Industry 5.0. Our commitment lies in nurturing individuals who don't just hold analytical skills but also emerge as problem solvers, innovators, entrepreneur, and collaborators.
