Introduction: PWC with offices in 156 countries and more than 295,000 people, among the leading professional services networks in the world by delivering quality in Assurance, Tax and Consulting services. PWC strive to help the students to develop their skills as leaders and provide a collaborative work environment that is powered by cutting-edge technology. At Explore, PWC going to invest and discover and use the strengths in diverse interactive experiences. This an opportunity for student community.

Objectives: PricewaterhouseCoopers (PwC) is a global professional services network, known for its expertise in assurance, tax, and advisory services. One of its notable initiatives is the PWC Discovery Series program designed to equip up-and-coming tax associates with essential skills and knowledge to excel in their roles. The program encompasses a range of courses covering fundamental areas such as accounting, finance, taxation, and regulatory compliance.

Some of the key features of Discovery Series program are as follows:

- ❖ Create a self-paced program that candidates can access via an online learning platform
- ❖ The course comprises training videos and auto evaluated hands-on exercises
- ❖ Periodic master classes by Industry experts
- ❖ Fully Sponsored Upskilling Opportunity
- ❖ Industry Readiness builds capabilities by reducing skill gaps.
