CSR (Cancer Awareness Day) – Walkathon 10. February.2024

The initiative taken by the Indian Cancer Society in collaboration with RV Institute of Management to organize a walkathon for cancer awareness is commendable. It's heartening to see students, staff, and doctors coming together to raise awareness about such an important issue. Events like these not only educate people about cancer but also emphasize the importance of early detection and prevention.

The participation of students and staff from RV Institute of Management, along with the expertise of doctors from the Indian Cancer Society, must have made the event impactful. Walkathons are not only a great way to raise awareness but also promote a healthy lifestyle, which is crucial in cancer prevention.
