Rashtreeya Sikshana Samithi Trust (RSST)

Rashtreeya Sikshana Samithi Trust was started during pre-independence era i.e., in the year 1940 with only six students by its first and only teacher: the founder Sri M.C. Sivananda Sharmaji. The sapling he planted 79 years ago is today a MIGHTY TREE which is reflected in the establishment of 21 premier institutions with over 1800 staff members and around 20,000 students, offering education from Nursery schooling to Doctorate level. Today, the alumni of RV Institutions are placed in senior positions at various national, international & global organizations. Also, the Trust runs a special school for differently abled children to cater to the special needs of the society.

Through yeomen service to the nation today, the RV brand is being recognized as a household name, a synonym for quality education. RV has become a part of Bangalore road map with a road named after it.

Presently, the Trust is led by Dr. M.K. Panduranga Setty as President of Rashtreeya Sikshana Samithi Trust with the group of distinguished Members as board of Trustees.

RVIM has been amazing. My eyes had been opened to many new things and I met people from all over the world through conferences and other such arenas. I particularly enjoyed the class

sizes that encouraged concentrated efforts in teaching and addressing student concerns. It has great faculty who are very cooperative and campus environment is very positive. Training and placement department continuously providing assistance regarding the placement.

Joining MBA at RVIM was a turning point in my life and it was definitely one of my best decisions. The MBA education at RVIM not only helped

to fetch a job but also inculcated the work discipline which is required to be a successful professional. It made me corporate ready. I have fond memories of MBA at RVIM and I am really thankful to Director Dr. T.V. Raju Sir & all the Faculties who helped me in shaping a bright future.

What initially caught my attention was the epigraph at the entrance of the college "This is a temple of knowledge, Please enter with humility". True to the statement it is a real temple of knowledge driven by values.

The MBA programme at RVIM is a top-notch option for any student. RVIM not only imparts knowledge but reinforces in us the spirit of creative action. One is repeatedly confronted by hard questions and challenges

which have no easy answers and a deep reflection ensues. We suddenly discover that we are capable of so much more than we had given ourselves to believe.

My Journey started with RVIM as it was associated more with the Brand name RV. But as the journey started I realized that it's not just the brand value but also the emphasis is on ethics,

discipline, principles for life and right attitude. RV has made me strongly believe,

'Try not to become a man of success. Rather become a man of value'

Thanks to RV for what I am today...
