PLACEMENT BROCHURE 2020

Dear all,

Greetings from RVIM!

As Head of the RVIM and on behalf of RV Group of educational institutions, I welcome you all, to the world of RV Institute of Management, located in Jayanagar, the beautiful and central suburb of Silicon Valley of India, i.e. Bangalore, also known as IT capital of India.

RVIM strongly believes in achieving excellence at all fronts, namely; academic rigor, research, consultancy, placements, extension, alumni relations, institutional collaborations, industry linkage and 360 degree grooming of its students. The activities at the institute are steered at creating ample opportunities for students which will support the students to learn beyond the curriculum, the class room and the campus and acquire the skillsets which are demanded by the industry 4.0 like; critical thinking, problem solving, analytics, global orientation, decision making, cognitive flexibility, people management, creativity and negotiation. Hence we constantly offer numerous value added courses and encourage students to take up live projects / assignments / internships which will help them to broaden their horizons; augment their thought process and grow as professionals with entrepreneurial mindset.

Director's Message

I take this opportunity to welcome you to the RVIM campus and experience a first-hand feel of our state of the art infrastructure, interact with our experienced and dedicated faculty, feel the conducive learning environment and share your views.

Wish you a Happy Learning voyage!

Dr. Purushottam Bung

Training & Placement

The crowning factor of any MBA programme is Placements. The Placement cell at RV Institute of Management has grown along with the institute from placing 30 students in the year 1999 to placing over 1500 students till date.

We have over 200 organizations from different sectors namely Audit, Banking, FMCG, Finance,

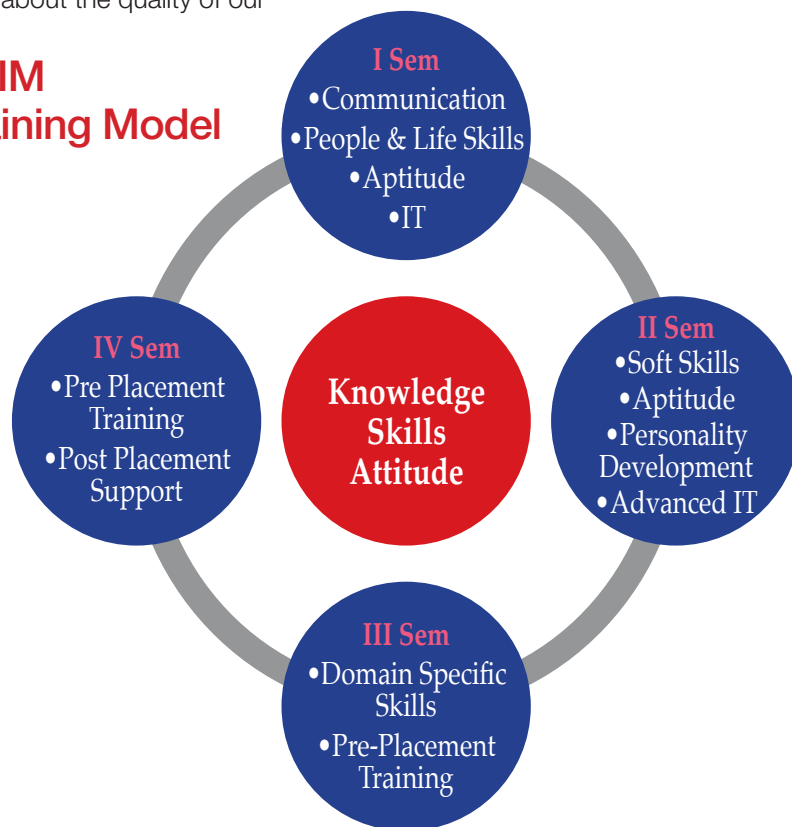

Manufacturing, IT, Media, Pharmaceutical, Retail, Telecom, Real Estate, Supply Chain etc., visiting the institute for placements. The number of organizations and the compensation has consistently increased over the years. The highest compensation in year 2018-19 has been Rs.12 Lakh p.a. and average of Rs.4.7 Lakh p.a. The companies keep visiting the institute every year for placements certainly talk about the quality of our

students. There are about 20% new organizations / companies visiting the institute every year for placement.

Training programmes are designed to sharpen basic business acumen, domain specific skills and overall personality. We follow a well-designed training programme explained below to ensure 360 degree grooming of the students and industry readiness.
