About EDII

The Entrepreneurship Development Institute of India (EDII), established in 1983 with the support of leading financial institutions viz; the IDBI Bank Ltd; ICICI Ltd; IFCI Ltd; State Bank of India and the Government of Gujarat, is a premier national resource institute dedicated to entrepreneurship education, research, training, incubation, and MSME development. Recognized as a Centre of Excellence by the Ministry of Skill Development and Entrepreneurship, Government of India, EDII has pioneered entrepreneurship development programmes and institution-building initiatives across India and several countries. Through collaborations with government agencies, corporates, and academic institutions, EDII promotes innovation, startup incubation, policy advocacy, and skill development. Its specialized centres and incubation ecosystem contribute significantly to entrepreneurship-led economic growth and nation building.

RVIM in collaboration with Entrepreneurship Development Institute of India (EDII) is regionally organising Biennial Conference on Entrepreneurship. EDII has been organising this conference since 1994 for providing a forum for researchers, educators and practitioners to share their research findings and experiences in Entrepreneurship Development. The conferences are organised under the aegis of the Centre for Research in Entrepreneurship Education and Development (CREED), Setup by EDII, EDII has organised sixteen Biennial Conferences from 1994 to 2025.

CONFERENCE PURPOSE & OBJECTIVES

- ▶ Provide a platform for academicians, researchers, industry practitioners, entrepreneurs, and research scholars to present contemporary research in entrepreneurship.
 - ▶ Promote discussion on emerging entrepreneurial ecosystems, innovation, sustainability, digital transformation, and inclusive growth.
 - ▶ Identify high-quality research papers for recommendation to the 17th Biennial Conference on Entrepreneurship (2027) organized by EDII.
- Foster collaborations among academia, industry, policymakers, and start-up ecosystems. The 17th Biennial Conference on Entrepreneurship continues to serve as an established forum for researchers, professionals and thinkers to share ideas and research findings. Researchers are invited to contribute papers that explore and expand entrepreneurship theory and practice.
