Preface

Akshara Motors, authorised Dealers of Ashok Leyland Light commercial vehicles approached RVIM to undertake research assignment to analyse the Market Potential for Ashok Leyland MiTR School Bus in Bangalore City.

The survey was undertaken covering all the CBSE, ICSE, International, Aided and Unaided schools located across the Bangalore city. A well-structured questionnaire was developed and administered to gather the required information from the comprehensive list of schools identified for the survey. For research purpose, Bangalore city was divided into multiple regions on the basis of PIN codes. The research work was completed in an agreed time during December 2023 and January 2024.

Outcome of the study will benefit Akshara Motors and Ashok Leyland to assess the market potential for Ashok Leyland MiTR School Bus in Bangalore City; identify the scope for sales. The study will help to identify the prospective customers and their requirements in terms of number of units of bus planning to buy and preferred seating capacity. The study also provides customer feedback on quality parameters and after sales service with regard to Ashok Leyland and its authorised dealers.

Findings of the Study

1. Private Unaided schools are more in number across Bangalore city. CBSE schools are second in the list in terms of number of schools amongst the surveyed schools.
2. The total students' strength in Higher Primary and higher secondary section is significantly more as compared to PU section amongst the surveyed schools.
3. 95% of the surveyed schools in Bangalore city cater up to High school section. (std. 1 to std. 10).
4. Amongst the surveyed schools, 766 schools in Bangalore city do not provide any transport facilities to their students. This is attributed to lack of parking space, total admissions, location of the school, socio- economic conditions of the students and proximity.
5. 350 (9.6%) of the total fleet amongst the surveyed schools have Ashok Leyland bus, 1173 (31.7%) have SML, 882 (23.8%) have Tata, 828 (22.4%) have Eicher, 91 (2.6%) have Mahindra and 379 (10.2%) have other brands of bus.
6. 32% (1173) of the total fleet owned by the School's management held by Swaraj Mazda (SML).
7. Small contractors have deployed more vehicles compared to established fleet operators amongst the surveyed schools. This explores the untapped potential of small and medium fleet operators with respect to business opportunity.
8. 25-34 Seats are more deployed followed by Above 42 Seats and 34 - 42 Seats amongst the surveyed schools.
9. 2 X 2 Layout is the most preferred type amongst the surveyed schools.
10. 39% (94910) of the total new students' admissions is expected at Private Unaided schools. This implies more students are opting for Private Unaided schools in Bangalore city.
11. 80% of the schools who own their own fleet amongst the surveyed schools prefer internal financing (cash / management funds / NBFCs) for purchase of bus.
12. 32S is the most preferred seating capacity amongst the surveyed schools.
13. Non A/C bus are preferred more amongst the surveyed schools. This implies that majority of the schools are conservative and aim at cost cutting.
14. 46% of the total prospective buyers amongst surveyed schools are tentatively planning their purchase during June – August, 2024.
15. A demand for 419 units of School bus is anticipated from the surveyed schools.
