Employability Skills course

Date: 23.08.2025	Venue: Seminar Hall
	Conducted By : Center For Career Development Resource Person: Mr. R . Aravin Kumar, Seventh Sense Solutions
Overview: As part of the employability enhancement initiatives for MBA students (Batch 2024–26), a specific training program was conducted by Seventh Sense Solutions. The sessions were designed to strengthen students’ understanding of accounting concepts, financial analysis, and essential office tools. The focus was on building both technical and practical skills required in corporate environments, especially in finance and consulting roles.	
<u>Objectives :</u> ☐ To familiarize students with accounting terminology and financial statements. ☐ To provide knowledge on accounts analysis and interpretation. ☐ To enhance students’ proficiency in MS Excel and MS Word for business applications. ☐ To introduce the basics of income tax accounting. ☐ To equip students with practical tools that improve workplace efficiency and career readiness.	
☐ Introduction to Accounting Terminology – Basic concepts and definitions.	
☐ Financial Statements – Structure and importance of Balance Sheet, Profit & Loss Account, and Cash Flow Statement.	
Take away of the session : The training was highly interactive, with hands-on practice sessions and case-based learning. Students appreciated the clarity provided on complex accounting topics and the practical relevance of Excel and Word exercises. The session is expected to significantly improve their readiness for internships, placements, and career opportunities in finance-related roles.
