**IQAC of RVIM present 3 Day workshop on "Research in Social Science
using SPSS and R Programming in collaboration with IBM on
22-24 August, 2019**

Registration Form

Participant's Name (In Capital Letters) : ^{No.} RASHMI SHETTY

Designation : Asst. Professor

Institute : RVIM

Address for Correspondence : Akshay Nagar

Mobile: 9632855589 Email: rashmi.rvim@gmail.com

Payment details:

Amount: _____ D.D.No/ Transaction ID: _____

Date of payment: _____

Signature of the participant

Please note

Demand Draft should be drawn in favor of "Director, R V Institute of Management",
Payable at Bangalore.

Or

Payment can also made through NEFT, Bank details mentioned here-in-under;

Bank Name: ICICI Bank, 9th Block Branch,

A/C No.: 029901002291 IFSC Code: ICIC0000299 MICR Code: 560229022

Please mail this form duly filled to workshop co-ordinator Dr.Anupama K Malagi, Professor
and Co-Ordinator IQAC. Phone : 9448079735, email : anupama.rvim@rvei.edu.in and
anupama.malagi@gmail.com

Mobile: 9844284240 (9845209640/9980011942)

1. Currently working Assistant manager at a leading MNC
2. A Master's degree in statistics from Bangalore University.
3. I have 13 years of experience in the field of Data sciences, predictive modeling, and Text mining and primary research.
4. Solid business knowledge in BFSI sector, Retail and Market research
5. Rich communication skills: verbal, written and graphical.
6. Expertise in 25 software's in Predictive modeling and machine learning algorithms.

Work Experience:

1. Statistician, SPSS South Asia Pvt. Ltd (2007 – 2010).
2. Senior Analyst, WNS Global Services Pvt. Ltd (2010-2012).
3. Business Analyst, Target India Pvt. Ltd (2012-2014)
4. Manager (2015 - present)

Projects Handled:

Worked as a Team lead on developing a roadmap for various projects from project scoping to output delivery on more than 50 projects thus far.

Project1:

Fraud Modeling using Weight of estimate (WOE) method.

Tools- Teradata SQL, SAS E miner, SAS EG, KXEN, BASE SAS, MS Excel.

Statistical Techniques: Stepwise Logistic Regression, Decision tree-CHAID method.

Description: To identify customers who commit fraud during claims for bodily injury (BI), a high end Statistical model was developed with enhanced **Precision** and **Sensitivity** in discriminating the behavior of fraud customers vis- à-vis non fraud customers. Traditional logistic regression method yielded a precision of 15% where as the client requirement was 51% thus the logistic regression model was recalibrated and weights were assigned to enhance the precision level as per client's requirement. To supplement increased precision level and high sensitivity Population Stability Index (PSI) which measures the shift in the magnitude of scores at the time of model building vis-à-vis score date was developed.

Project2:

To Build A Predictive Model for Life Insurance Policy Lapsation

The objective of the project was to find the main underlying factors that lead to discontinuance of premium payments by the policy holders, resulting in policy lapse to the data given by ING VYSYA LIFE INSURANCE COMPANY LIMITED. Upon using statistical techniques like forward selection , binary logistic regression to the data of 44,000 observations the causative factors for lapsation was found.

Project3:

Motor Insurance Win back for Group Ex Customers.

Tools-Teradata SQL, SAS E miner, SAS EG (Enterprise Guide), KXEN, BASE SAS, MS Excel.

Statistical Techniques: Stepwise Logistic Regression.

Description: The Campaign planning Team (on shore) wanted to win back Ex customers (those customers whose policies had **lapsed** previously) by selling them a motor product. Since there was no scientific mechanism to target customers, off shore team was delegated this responsibility to help the planning team explore a cohort of customers who had a high propensity to respond to campaign.

By studying the characteristics of historical customers through Multivariate statistical model-**Stepwise Logistic Regression** was developed which can be used to identify a subset of customers who have a very high propensity to respond to campaign

By targeting this cohort of customers month over month mailing cost has reduced by 55%, the yield has increased 104%.

Previous trainings:

1. 5 day training programme on Multivariate statistical technique in IBM Modeler at **Planning Commission of India, 2008** Delhi, Hyderabad and Chennai.
2. 3 day training programme on Predictive modelling at **Reserve Bank of India**, 2009 using SPSS at Delhi
3. 5 day training programme at **DUBAI CUSTOMS** on data mining and model deployment using IBM modeller
4. 5 day training programme on Text mining and sentiment analysis at **Qatar National research Institute**.
5. 1 day workshop at IIM, Bangalore using SPSS on advanced data mining techniques.
6. JNTU, workshop on SPSS Hyderabad.
7. Ministry of commerce, Delhi 3 days training programme

Area of Specialization:

Multivariate statistics, Deep learning, Data science, Artificial intelligence, Structural Equation modeling, Data Mining and Machine Learning techniques.

Software proficiency:

I have a proficiency in more than 25 softwares

1. **Predictive Analytics software** - SPSS, IBM Modeler, Lexalytics, AMOS, Quantum, SQL, Rapid Miner, R, KXEN, Weka, SAS EMiner, SAS BASE, Python, Orange, KMINE and several others
2. **Cloud based tools** - Microsoft AZURE.
3. **Internet Of Things** - Predix.

Hobbies:

1. An avid reader on various subjects like Economics, Politics, world affairs and inter religious and inter civilizational dialogue.
2. A passion for fitness- Aerobics, Martial arts, Meditation and Yoga.
3. A penchant for traveling, research and socializing.

IQAC of RVIM presents 3 Day workshop on "Research in Social Science using SPSS and R Programming in collaboration with IBM on 22-24 August, 2019

Programme Schedule**Day 1:**

Timings	Events
9.00 AM – 10.00 AM	Registration
10.00 AM-11.30AM	Inauguration & key note: Venue : Conference Hall
11.30 AM-11.45 AM	Break
11.45 AM-1.30 PM	Session 1 by Dr.Purushottam Bung Problem Identification and Literature Review
1.30 PM -2.30 PM	Lunch
2.30 PM -3.45 PM	Session 2 by Dr.Santhosh M Overview of Research Methodology
3.45 PM-4.00 PM	Break
4.00 PM -5.15 PM	Session 3 by Dr.Anupama.K.Malagi Basics of Quantitative Research in Behavioral studies

Day 2:

Timings	Events
09.00 AM-11.00 AM	Session 4 by Mr. Mithun D J Descriptive Statistics and Correlations
11.00 AM-11.15 AM	Break
11.15 AM-1.15 PM	Session 5 by Mr. Mithun D J Chi-Square ,ANOVA, T-Test, F-Test and Regression
1.15 PM-2.15 PM	Lunch
2.15 PM-3.45 PM	Session 6 by Mr.Alok Kumar Jha Forecasting , Factor analysis
3.45 PM-4.00 PM	Break
4.00 PM-5.30 PM	Session 7 by Mr. Alok Kumar Jha Cluster analysis, Neural Networks

Day 3:

Timings	Events
09.00 AM-11.00 AM	Session 8 by Mr.Shankar M M Introduction to R and Data Preparation
11.00 AM-11.15 AM	Break
11.15 AM-1.15 PM	Session 9 by Mr.Shankar M M Testing of hypothesis using R
1.15 PM-2.15 PM	Lunch
2.15 PM-3.45 PM	Session10 by by Mr.Shankar M M Factor analysis and Regression using Jamovi
3.45 PM-4.00 PM	Break
4.00 PM-5.15 PM	Session 11 by Dr.Purushottam Bung Writing good research paper & publication
5.15 PM – 5.30 PM	Valedictory

RASHTREEYA SIKSHANA SAMITHI TRUST

R V INSTITUTE OF MANAGEMENT
CA 17, 26 Main, 36th Cross, 4th T Block, Jayanagar
Bengaluru, Karnataka 560 041

A Report 3 Day workshop on “Research in Social Science using SPSS and R Programming in collaboration with IBM during 22-24 August, 2019

Duration : 22-24 August, 2019	
Time: 9.00 pm – 5.15 pm	Venue: Computer Lab3
No. of Participant: 42	Event Coordinator: Mr.Nagasubba Reddy

About the Workshop

The institutions of higher learning in the present days are facing crucial challenge in carrying out quality research, especially in social science. Study of research methodology is therefore indispensable. The applications of numerous statistical tools have opened new avenues in statistical analysis. SPSS and R Programming are playing a crucial role in shaping the new architecture of research, in the environment dominated by large volumes of data. The current workshop is designed to enrich the knowledge base of faculty members, research scholars and other professionals who are engaged in research.

Objectives

1. To provide expert guidance in research methodology, and acquaint the research scholars and faculty members with research methodologies used by researchers in different fields.
2. To enable the researchers to choose and apply the appropriate methodology for their research studies in respective fields.
3. To impart knowledge about statistical concepts, and their practical implementation in research based projects.
4. To provide hands-on training in the application of statistical software (SPSS 25.0) and R Programming for data processing

Contents of the Programme

Day1

- Inauguration and Key note address
- Problem Identification and Literature Review
- Overview of Research Methodology
- Basics of Quantitative Research in Behavioral studies.

Day2

- Simple Frequencies for Statistic calculations, Descriptive Statistics and Correlations, Two Sampled T-test, Paired Ttest, Cross-tabulation and Chi-Squared Test of Independence, One-way ANOVA.
- Two-Factor ANOVA without Replication, Two-Factor ANOVA with Replicates, F-Test Two-Sample for Variances
- T-Test: Paired Two Sample for Means, T-Test : Two-Sample Assuming Equal Variances, Z- Test: Two-Sample for Means, Multiple Regression: Linear, Logit regression
- Testing of Hypothesis, Factor Analysis, Cluster analysis, Neural Networks

Day3

- R Programming
- Writing good research paper & publication
- Q&A followed by Valedictory

Brief Profile of the Resources Persons:**Dr. Purushottam Bung**

Dr. Purushottam Bung is an engineer with a rich experience of around 25 plus years in Academia and industry (domestic and international). He has a rich entrepreneurial experience of around 10 plus years in the food processing industry. He is on the expert/advisory/editorial panel of many Institutions, Universities, NGOs and journals. Dr. Bung has presented and published 17 research articles in national and international refereed journals. Dr. Bung was conferred with “Enterprising Academic Leader of the year (South India)” as part of National Education Excellence Awards in 2018. He was conferred with “Distinguished Educator” award in 2013. In 2015 he was awarded as 'Best Director of a Bschoo in Karnataka' as part of education excellence awards – 2015. He is member of many Associations and Institutional bodies. Dr. Bung is offering management consultancy services to local Businesses, Institutions and entrepreneurs as well. Currently he is working as Professor and Director at R V Institute of Management, a prestigious stand-alone B-school of excellence at Bangalore.

Mr.Shankar M M

He did MBA from University of Madras, he has 20 years of experience including Academics, Market Research companies and consultancy. He has been actively involved in training and consultancy for the past 16 years. Trained more than 18,000 participants all over India in the subject of Research methodology and Data analysis packages such as SPSS, SAS and AMOS and has published various articles in national level Journals. He is enacting as Research consultant for intouch Analytics, PPDA Ltd, and various universities. Currently he is associating with CARES as Mentor – Research and Training.

Mr. Mithun D J, SPSS consultant

- A Master's in statistics from Bangalore University.
- He has 13 years of experience in the field of Data sciences, predictive modeling, and Text mining and primary research.
- Good business knowledge in BFSI sector, Retail and Market research
- Rich communication skills: verbal, written and graphical.
- Expertise in 25 software's in Predictive modeling and machine learning algorithms.

Dr.Anupama.K.Malagi, Professor, RVIM

Dr. Anupama K Malagi is an academician with a rich teaching experience of 24 years. Her areas of interest include strategic management and people management. She has been awarded “India's Iconic Educationist Award” from Indo Socio Development Association, New Delhi, in the year 2017. She has published several research papers in national & international refereed journals.

Dr. Santhosh M, Associate Professor, RVIM

Dr. Santhosh M is an academician with 14 years of experience in the capacity of Asst. Professor and Associate Professor in post graduate program in the area of management in the reputed colleges of Bangalore. He has authored a book on Quantitative Techniques and Operations research. He has published several research papers in national and internationally renowned and refereed journals. He has also presented research papers in both national and international Conferences.

Copy of the approval from RSST

Ref: 9/40/RVIM/MBA/2019-20

Date: 20th July 2019

To
 The Hon.Secretary
 RSST Trust
 II Block, Jayangar,
 Bangalore-560011

Respected Sir,

Sub: Proposal to organize 3 day Workshop on "Research in Social Science using SPSS and R Programming" on 22nd, 23rd, & 24th August 2019 in collaboration with IBM

IQAC of RVIM forwards the proposal to organize Proposal to organize 3 day Workshop on "Research in Social Science using SPSS and R Programming" on 22nd, 23rd, & 24th August 2019 for research scholars and academicians.

SPSS and R Programming are playing a crucial role in shaping the new architecture of research in the environment dominated by large volumes of data, and the very changing global economic scenario. The current workshop is designed to provide proper grooming in the basis of research and to enrich the knowledge base of faculty members, research scholars and other professionals who are engaged in research.

The sessions in the workshop will be conducted by the following resource persons who are expert in their domain:

- Mr.Shankar M M – Research consultant - 20 years of experience in the subject of Research methodology and Data analysis packages such as SPSS, R Programming SAS and AMOS.
- Mithun DJ - SPSS consultant (13 years of experience in the field of Data sciences, predictive modeling, and Text mining and primary research.
- Dr.Purushottam Bung, Director – RVIM
- Dr.Anupama.K.Malagi, Professor- RVIM
- Dr. Santhosh M, Associate Professor-RVIM
- Total number of participants expected for workshop is 40 including interested faculties of RVIM (15 No'). We will be collecting a participation fee Rs.1500 (including GST). Detailed budget is enclosed herewith. Net financial obligation is estimated at Rs.31, 750/- approximately.

For your kind consideration and approval.

Thanking you
 Truly yours

Dr.Purushottam Bung
 Professor and Director

Certificate of Participation

This is to certify that

of

has participated in 3 Day workshop on

"Research in Social Science using SPSS and R Programming" in collaboration with IBM

held at the R V Institute of Management during **August 22-24, 2019**

Dr. Purushottam Bung

Professor and Director

Sample copy of the certificate

Outcome Achieved/ Attained:

the Participants will be able to

1. Select appropriate research method for conducting empirical research
2. Select statistical tools for data analysis
3. Use SPSS and R to conduct analysis and apply right tools and techniques while conducting research
4. Write good research paper & publish in good journals
5. Enhance their analytical skills

6. List of Participants:- 42

31st July 2019

Dear Sir/Madam,

Greetings from **R V Institute of Management, Bangalore (RVIM)**, a Premier Institute in Management Education, Training, Research and Consultancy, with **NAAC A+ Grade Accreditation**.

RVIM is one of the 27 leading educational institutions of national and international reputation, run by Rashtreeya Sikshana Samithi Trust (RSST), which is spearheading the cause of education in various fields for last 79 years. RSST is currently managing over 27 institutions, with some 20,000 plus students from all over India and abroad pursuing their dream education.

IQAC of RVIM presents 3 day workshop on Research in Social Science using SPSS and R programming during 22-24 August, 2019.

Objectives of the workshop include;

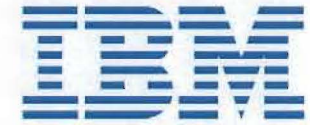

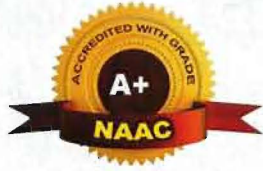

- To provide expert guidance in research methodology, and acquaint the research scholars and faculty members with research methodologies used by researchers in different fields.
- To enable the researchers to choose and apply the appropriate methodology for their research studies in respective fields.
- To impart knowledge about statistical concepts, and their practical implementation in research based projects.
- To provide hands-on training in the application of statistical software (SPSS 25.0) and R Programming for data processing

Brochure of the workshop is enclosed herewith. Please encourage your staff for this workshop. **10% discount will be given on 2 or more registrations from the same Institute/Organization and 10% discount will be given for early bird registrations (on or before 16th August 2019).** We invite you to avail the above benefit and also circulate the brochure amongst all the staff. Please display the same on notice board as well.

Look forward for receiving your delegation for the workshop. For more information please contact us.
