The above factors were utilized by the team of faculty members to gather information from each student. The data collected from each team was then evaluated by the SWOT committee members based on the following components.

### Components for Assessment:

1. Academics
2. Communication
3. Sports
4. Culture Activity

**1. Academics:** The final under gradate score of the students is taken as the base for the analysis. The scale is given below:

Scale selected for Academics		
Points	Percentage of marks	Rating
5	Above 80%	Distinction
4	80% - 71%	Good
3	70% - 61%	Average
2 & 1	60 % - 51 %	Below Average

### Final Result on Academics

Category	Number of Students
Distinction	27
Good	67
Average	48
Below Average	7
No Information	6
<i>Total number of students</i>	155

(Source: Primary Data)

### Analysis of Academic

1. A total of 27 students are in the distinction stage and have a potential to secure rank under Bangalore University Examination. Majority of the students, a total of 67 have got potential to score excellent.
2. 48 students have got an under graduate degree score as of 61% to 70 %. These students ought to acquire training and attention to advance their performance.
3. A paltry number no of 7 students have scored marks between 51% to 60%.

### Interpretation on Academics

The focus should be on the students who belong to average and below average group as they lack knowledge in management concepts and practices.

**Suggestions for Improvement in Academics:**

1. The student should be provided a bridge course on the Subjects of I semester which can be handled by the respective department.
2. The list of the students who are weak in academics should be provided to the subject faculty members thereby; the faculty members can have a check on their performance on a monthly basis.
3. The students who are at the Distinction level should be encouraged by giving them a platform to enhance their skills. They should be sent to attend seminars and workshop conducted by other Institutions for the knowledge enhancement and for exposure.
4. The students under Distinction should be given an opportunity to share their knowledge during class hours by involving them in activities, presentation, role play, management games etc

*Asis*

5. The subject faculty should also share the database of journals, magazines, blogs, and websites for the students to accumulate additional information. Similarly, it can also be implemented for other category of students.

**II. Communication:** The faculty members assessed the students based on the way the student responded to the various queries.
