

RVIM Enters Limca Book of Records 2017

R.V. Institute of Management, Bangalore, has been conducting a free adult education platform 'Computer Literacy Programme for Senior Citizens' since 2006. Over 1,300 Senior citizens aged between 60-94 years in 31 batches has been taught to make them computer literate. Each batch consists of 40 members. All the participants were trained to communicate to their grandchildren, sons and daughters staying far away and in foreign countries. They were able to exchange mails, photos and talk over the Internet, use Skype, face book, and use online booking for railway, train and movie tickets. The internet search helped them to find information on medical support and guidance through various websites. Transactions like online payment of electricity and other bills, bank remittance, digital India awareness, social sites communication, health support and online doctor service and many more. . The trainees included Doctors, Lawyers, Retired Bank Managers, Retired Income tax officers, and Retired personnel from armed forces and from all walks of life.

Sir,

I had attended the 25th Batch completion celebration of 'Computer Literacy Programme for Senior Citizens' organized by RVIM on May 22, 2016. R.V. Institute of Management has taught one thousand ninety senior citizens so far to learn computer and use in their daily life.

This is a CSR programme of the college undertaken under the leadership of Dr. T.V.Raju, Director, RVIM. Prof. Nagasubba Reddy has developed a good method to teach elderly people with lot of patience.

A great good work is done to the society by RVIM

Thanking you

Bapugouda Patil

EDUCATION

Course for compassion towards animals

Kendriya Vidyalayas across the country introduced 'Compassionate Citizen', a humane education programme designed to teach compassion towards animals to 8 – 12 year old children in a May 2016 notification.

Prepared by animal rights advocacy group People for Ethical Treatment for Animals (PETA), it was integrated into the official curriculum via languages, social sciences, environmental and value education curricula. The course has been endorsed by the Animal Welfare Board and the Central Board of Secondary Education (CBSE).

Most seafarers trained in one year

B P Marine Academy in Belapur, Navi Mumbai, established on Dec 5, 1997, has trained the highest number of seafarers (in the private sector) over the past 15 years. The Academy has trained 41,597 seafarers in one calendar year, that is, January to December 2015.

Longest running senior citizens computer class

R V Institute of Management, Bengaluru has been conducting a free adult education platform 'Computer Literacy Programme for Senior Citizens' since 2006. Over 1,000 senior citizens aged between 60-90 years in 24 batches have been taught to use the computer like sending emails, sending photographs to their children and grandchildren, on-line booking tickets, payment of bills, banking remittances, digital India awareness, social media communication and many more. Each batch consists of 40 members. Classes are held in the evenings and each session is of three months duration. The 25th batch concluded its session in May 2016.

Teaching over 1.5 lakh students

Bengaluru-based Roshni Mukherjee, a Master's degree holder in Physics, quit her full-time job to launch ExamFear.com in 2011, an online platform on You Tube Channel, to teach Science and Math for free to students from classes 6 to 12. She has over 1.5 lakh subscribers and has made approximately 5,000 videos which cover a wide range of topics in Physics, Chemistry, Math and Biology and many more are in the making.

ExamFear.com recently launched practical video series where students can perform Science experiments at home. It provides a complete education package with 4-step learning process: watch videos, ask questions, refer to notes and take a test.

In January 2016, Roshni was recognized as '100 Women Achievers' by the Ministry of Women and Child Development, Govt of India and felicitated by the President of India.

Eye Camp in Campus

RVIM Student Ms.Susmitha C.S was passionate to teach senior citizens during her leisure time in the campus. Ms.Susmitha completed her MBA with University Toppers List. She secured 3rd Rank in the Bangalore University Examinations 2015
