<b>Date: 30<sup>th</sup> March'19</b>	<b>Venue: Conference Hall</b>
<b>Time: 9.00 AM TO 11.00 am</b>	<b>State level / PG Dept. Faculty</b>
<b>No. of Participant: 53</b>	<b>Event Coordinator: Prof. Payal Jindal and Prof. Uma Sharma</b>
<b>Objectives:</b> <ul style="list-style-type: none"><li>• Introduce- Team building and Leadership - Skills for MBA Graduates</li><li>• Encourage students to empathize and be proactive team builders</li><li>• Provide hands on activity that helps analyze team skills and match activity for the team accordingly</li><li>• Ensure team and the leader understands the importance of skill mapping.</li><li>• The individual and group activities are designed to help MBA students understand the skills needed to succeed</li></ul>	
<b>Agenda/Flow of the Event</b> <ul style="list-style-type: none"><li>• Introduction session : Mr. Parag Patankar addressed the students on an overview of the workshop</li><li>• The students were asked to form 5 teams of 10 students each. Team activity of –began with the Team mapping their skills, followed by using those mapped skills to solve the activity given to the team. Each team was assessed on their ability to complete the activity with the best of the skills applied.</li></ul>	
<b>Brief Profile of the Resources Person:</b> <ul style="list-style-type: none"><li>• Mr.Parag Patankar -MBA-IIM Ahmedabad, Telecom Engineer, Ex-Director &amp; Site Lead at Cisco and Senior Director at Oracle with 20 years of Experience.</li><li>• Arvind V- IIT-R, Prof at Shristi, Ex TI, Wipro, 30 year Telecom Experience</li><li>• Radhika -M-IIMB, Director Oracle, L&amp;T, 30 years Software Experience.</li></ul>	

R.V.Institute of Management conducted workshop for the first year MBA students. It was a session on the Topic-'MBA Skills". The session was conducted on 30<sup>th</sup> March'19 at RVIM campus.

**Objective of the FDP:**

Session on MBA Skills – Mr.Parag, aims to make students understand that beyond academic accomplishments they need to hone their corporate skills that helps them to deliver at jobs.

**Resource persons for the FDP:**

- Mr.Parag Patankar -MBA-IIM Ahmedabad, Telecom Engineer, Ex-Director & Site Lead at Cisco and Senior Director at Oracle with 20 years of Experience.
- Arvind V- IIT-R, Prof at Shristi, Ex TI, Wipro, 30 year Telecom Experience
- Radhika -M-IIMB, Director Oracle, L&T, 30 years Software Experience.

**MBA Skills - Sessions**

- MBA Skill sessions aims at making the graduates conscious of the gap in academic training and the Industry requirements and the need for them to gain on better relevant and career determining skills.
- Session provides hands on team activity .As all the team mates engaged themselves in solving the activity, they were made to realize the skills the team-mates possess and the same skills should enable them to solve the activity. Each team had to finish the activity while they ensure that they their team has the best solution than the rest of the teams .Only then they would have accomplished the objective of the activity

Take away from the session:

- This session is aimed at identifying the skill gap with the students .At the end of the session students should be able to map their skill and identify the gap –so indicating that particular skill they need to acquire so that they gear up for corporate LIFE.
- Students will define their a baseline personal skill inventory
- Understand emerging skill trends in industry/MBA job market
- Create a personal roadmap to bridge the gap.

**Take away from the session:**

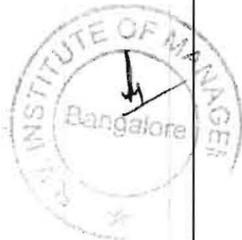

- This session is aimed at identifying the skill gap with the students .At the end of the session students should be able to map their skill and identify the gap –so indicating that particular skill they need to acquire so that they gear up for corporate LIFE.
- Students will define their a baseline personal skill inventory
- Understand emerging skill trends in industry/MBA job market
- Create a personal roadmap to bridge the gap.

**Feedback of Students:**

All students you enrolled and participated have appreciated the training session. They have learning that academic qualification and skillsets will drive their career.
