The faculty of the subject Strategic Management and Corporate Governance organized a thrilling and engaging team-building event for the students of fourth semester as a part of experiential learning, "*Strategic Human League*," from June 19 to June 21, 2023. The event aimed to foster camaraderie, leadership, and strategic thinking among students through a structured three-segment competition. Each team of 16 participants showcased their physical, mental, and leadership abilities in rounds designed for specific roles: Pawns, Barons, and Czars.

Objectives

1. **Team Building:** Encourage student collaboration and synergy through team-based activities.
2. **Skill Development:** Test and enhance participants' physical endurance, mental agility, and leadership qualities.
3. **Strategic Thinking:** Enable students to strategize and allocate team resources effectively.
4. **Leadership Identification:** Identify and celebrate leaders who can guide their teams to success.

Team Structure and Rules

- **Segments:**
 - **Pawns (8 per team):** Engage in physical activities in Round 1.
 - **Barons (6 per team):** Participate in mental games in Round 2 and decide game players for Pawns.
 - **Czars (2 per team):** Compete in leadership challenges in Round 3.
- **Unique Team Names:** Teams were required to submit unique names before the event.
- **Freezing of Teams:** Once finalized, team members could not be changed, ensuring commitment and integrity.
