Respected Sir,

Respected Sir,

Subject: Requisition of purchase of speakers and amplifiers for the conference and Seminar halls

With reference to the above, I would like to bring to your kind notice that, conference and seminar halls are in need of new speakers and amplifiers since existing speakers are 15 years old due to which their sound quality not effective for big space like conference and seminar hall.

Since the old speakers are in good condition and can be used for smaller spaces, we will shift them to our computer labs as there are no speakers in these labs. The old speakers will be useful in computer labs since more class room oriented sessions are being taken in the labs.

We request you to permit us to purchase new speakers and amplifiers with higher capacities and efficiencies for these halls.

Please find the enclosed quotations from different suppliers and comparative statement for your kind perusal. Kindly do the needful and oblige.

Thanking you,

Yours faithfully,

Submitted to

The Hon. Secretary, RSST
