professor and head, Faculty of Management and Commerce, Ramaiah University of Applied Sciences

There is a huge requirement of business/data analysts to support leadership to make optimal, effective and evidence-based decisions. [Therefore], students pursuing management programmes enriched by AI/ML modules along with digital transformation could be ready for senior positions and the scope for becoming future CEOs will be higher.

V.M. BANSAL

chairman, New Delhi
Institute of Management

In a rapidly evolving digital landscape, technology fundamentally transforms industries, work, and education. Leadership, beyond traditional management, now requires a deep understanding of technology, data analytics, and global navigation. Integrating AI and ML into management education is vital and institutions must adapt their curricula to harness technological advancements for transformation.
