FIIB Business Review (FBR)

FIIB Business Review (FBR) is a quarterly journal brought out by Fortune Institute of International Business (FIIB) for disseminating knowledge and good practice of professional management. It is aimed to serve as a vehicle of communication between those who study management and those who practice it by publishing articles that are both research-based and address issues of current concerns to practicing managers.

A peer reviewed journal, FBR invites manuscripts that provide insightful perspectives on emerging managerial themes, management research of value to professional managers and academics and management cases on contemporary managerial issues from management consultants, policy makers, senior executives as well as academics.

If you have any comments or questions about FBR, please contact editorfbr@fiib.edu.in
